This is Mr. Barlup's thirteenth year as principal of WASHS. Although he feels there is always room for improvement, Mr. Barlup believes we have the best school in the area, and he expresses deep pride in WASHS.

Mrs. Fine is in her second year here as assistant principal. She enjoyed her first year as an administrator, and she finds the WASHS staff and students both cooperative and willing to put forth extra effort and time. Mrs. Fine has little time to herself this year, as she is devoting her spare time to research for the completion of her dissertation toward her doctorate. Mrs. Fine would like to see more student and parental involvement concerning curriculum and activities.

Mr. Gottshall is the school's athletic director. He coordinates all WASHS athletic activities, which include assigning officials, providing equipment, scheduling of the games, balancing the athletic budget, and supervision of ticket sales.

Mrs. Buterbaugh and Mrs. Heefner are the office secretaries. Mrs. Buterbaugh is Mr. Barlup's secretary, and she does a great deal of the office work. Mrs. Heefner is the attendance secretary and is responsible for the re-admittance to school after an absence or tardiness.

It has been said that the only reasons a teacher would remain a teacher would be his dedication to his subject, and concern for his students' welfare. If that is true, then Thomas Fullerton's students have sustained the loss of a true teacher.

Mr. Fullerton first came to this area about five years ago to join the Science Department of WASHS. He obtained his bachelor of science degree from Slippery Rock College. Because of his outstanding work, he received a fellowship from Penn State University, where he became a nuclear physicist.

During the five-year period at WASHS, Mr. Fullerton taught physics, chemistry, and nuclear science.

His dedication to his students was apparent, as they always found his classes challenging. He even made tapes covering the material discussed in his classes for the absent students. Many of Mr. Fullerton's former students were later able to appreciate his teaching methods, especially those who went to college; they discovered that they were better prepared than many of their classmates.

Mr. Fullerton was one of the few people who could have boasted of living a full life in 28 years.

Class Of '77 Reaches The Top

K. Naugle (historian), S. Griffin (vice-president), S. Shinham (treasurer), V. Pryor (president), K. Stepler (secretary).

The Class of 1977 has successfully undertaken three fund-raising projects; with the help of advisors Mrs. Mildred Bucher and Mr. Gerald Reichard, they held a spaghetti dinner, sold Stanley Products, and sold magazines in their sophomore, junior, and senior years, respectively. With the profits they realized from the projects, they held the 1976 prom and traveled to New York City for the class trip.

Graduation from WASHS marks the termination of 12 highly-significant years.

Advisors: G. Reichard and M. Bucher.

Let the band
play our song
one
last
time . . .
And the walls
echo of
screams of laughter and joy
long overdue
Memories
pasted on giant walls of
green which the painter
will paint over
(a different color perhaps)
come next year
And the mops
and pails will come
washing away
the inky prints
from the walls.
Shining the floors
Removing
all scars from our
HEAVY laden feet
but,
no matter
the colors of our
memories
will always
ROAM
our great home

Indian Band Travels

The 1976-77 Indian Band had no small challenge to face in maintaining the reputation of musical excellence acquired over many years. But the members of both the band and band front willingly sacrificed their time and put forth extra effort to make the performances of the marching and concert seasons memorable for themselves and the audiences.

Band camp was the first indication that they would have to work to retain their status as members of the Indian Band. They marched and drilled during the five-day band camp. Their hard work and determination paid off, as they emerged a well disciplined unit for the football season and area parades.

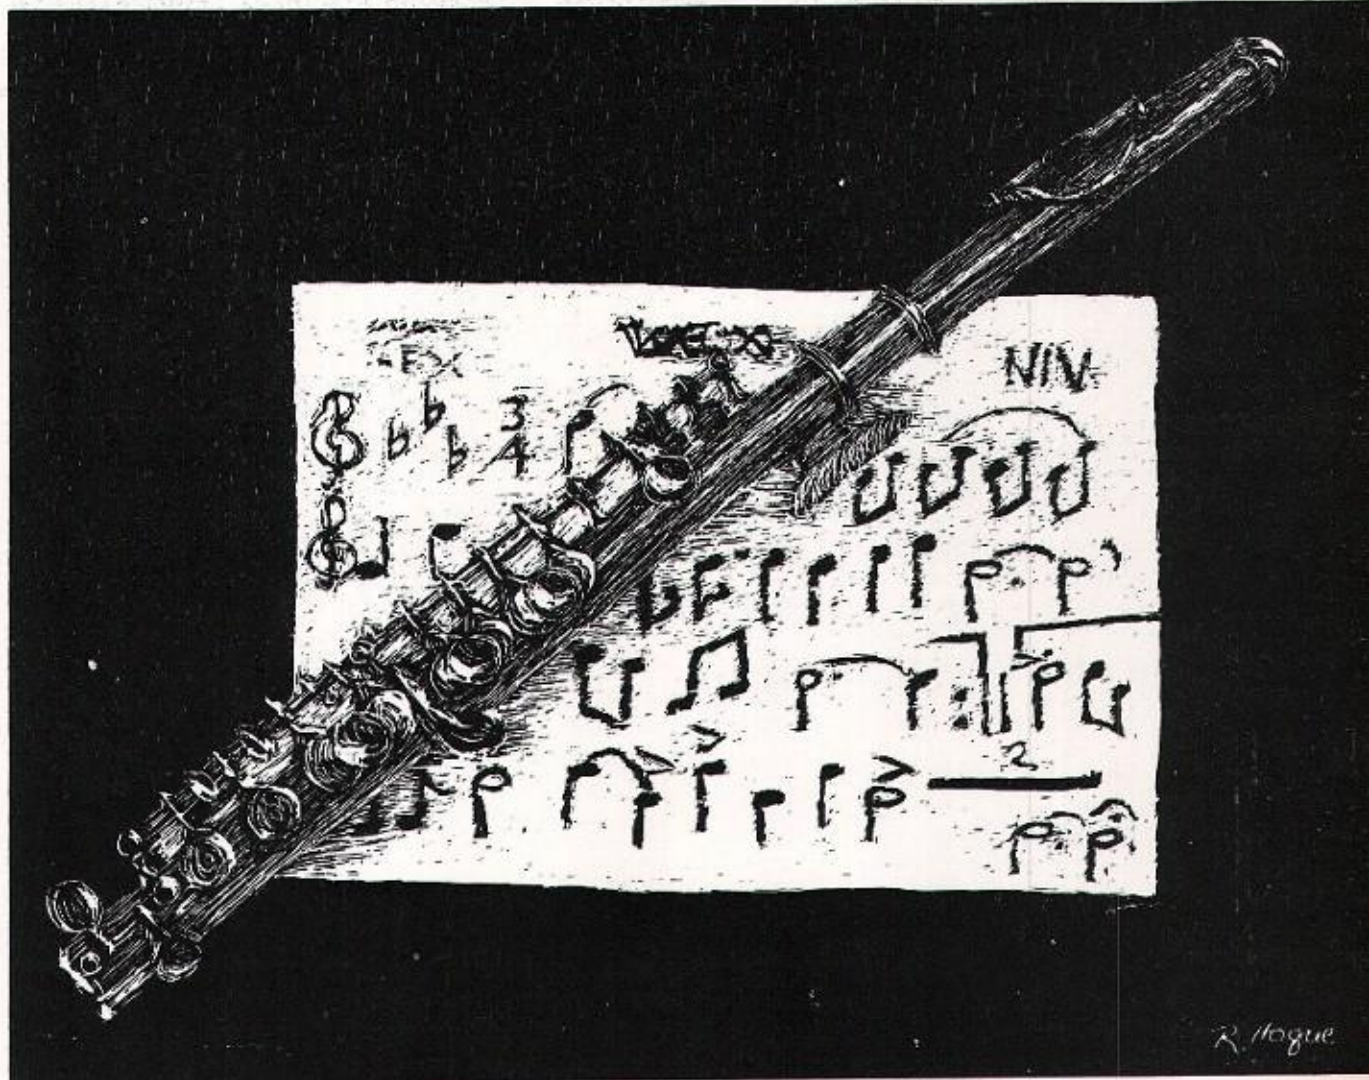

The dedication of the band members was further evidenced in the preparation of music for the annual mid-winter concert. Although schools were closed, the band sought permission to use the Lutheran Church, where they rehearsed for the concert.

Probably one of the greatest rewards the band received for its hard work was the invitation to participate in the Atlanta, Georgia Dogwood Festival in the spring. This recognition more than justified the band's efforts and proved to be a fitting finale to the 1976-77 band activities.

Under the direction of Mr. Kowallis, they appear at concerts and school assemblies; they have gained renown in previous years by performing at various functions, including the Pa. Music Educators Association. Their repertoire includes madrigals, folk songs, and humorous songs.

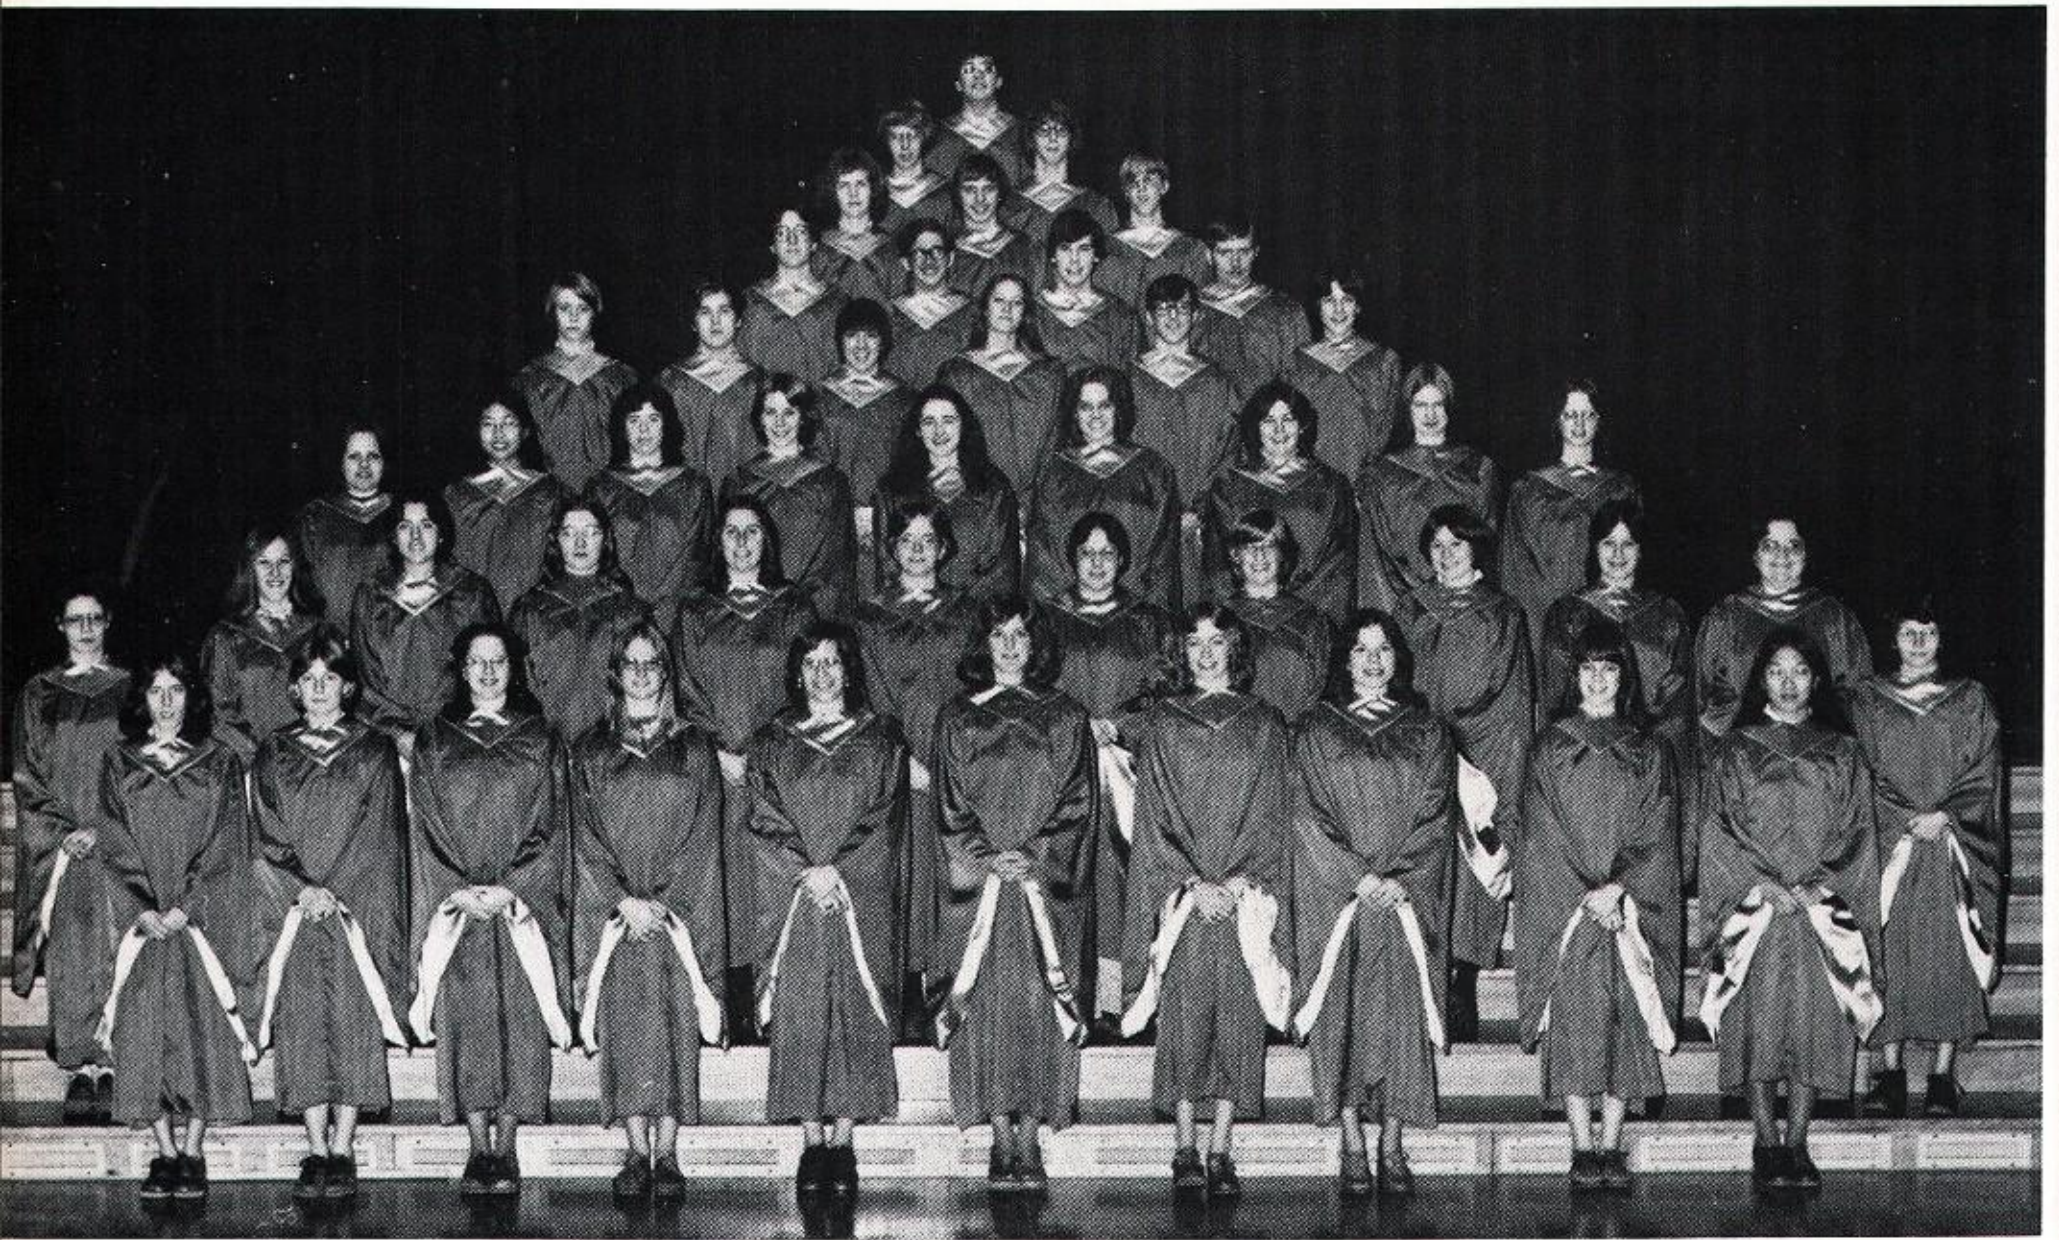

The Chordbusters comprised of Mike Rock, tenor; Chuck Wilhide, lead, or second tenor; Brian Black, baritone; and Jerry Lange, bass, the Chordbusters practice after school, three afternoons per week. Choice of music and choreography for the programs are entirely their decisions; they perform at concerts, assemblies, and numerous community functions.

The choir performs for different community organizations in addition to appearing in the school assemblies and concerts; last year the singers participated in the Choir Day sponsored by Lebanon Valley College.

MUSIC CLUB AND ART CLUB

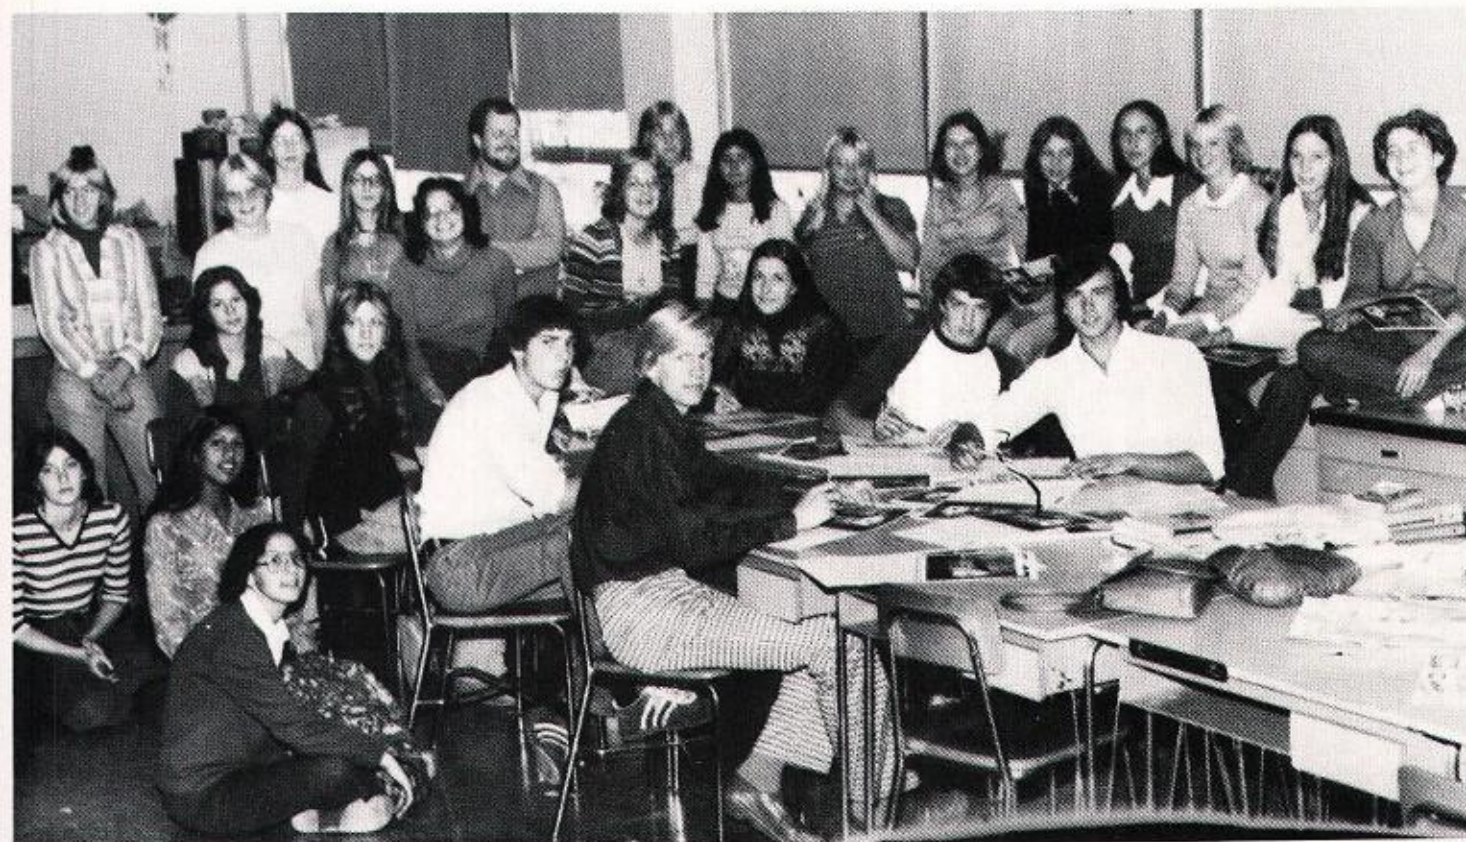

Members of the Music Club meet on the first and third Wednesdays of each month. Their common interest is, of course, music; a variety of programs are presented by the students.

This year the members bought recorders with the intention of learning to play them and later performing in small groups.

The officers for the 1976-77 year were: Brian Black, president; Kim Null, vice-president, and Lisa Sung, secretary-treasurer. Mr. Kowallis served as advisor.

The Art Club made and sold calendars again this year. The members worked long and hard to put together the very popular calendar. Money from this project was donated to Milton Simmers, who was recovering from severe burns in a Baltimore hospital. The members also set up an exhibit for the Mid-Winter Concert, which displayed some of their work.

STUDENT COUNCIL

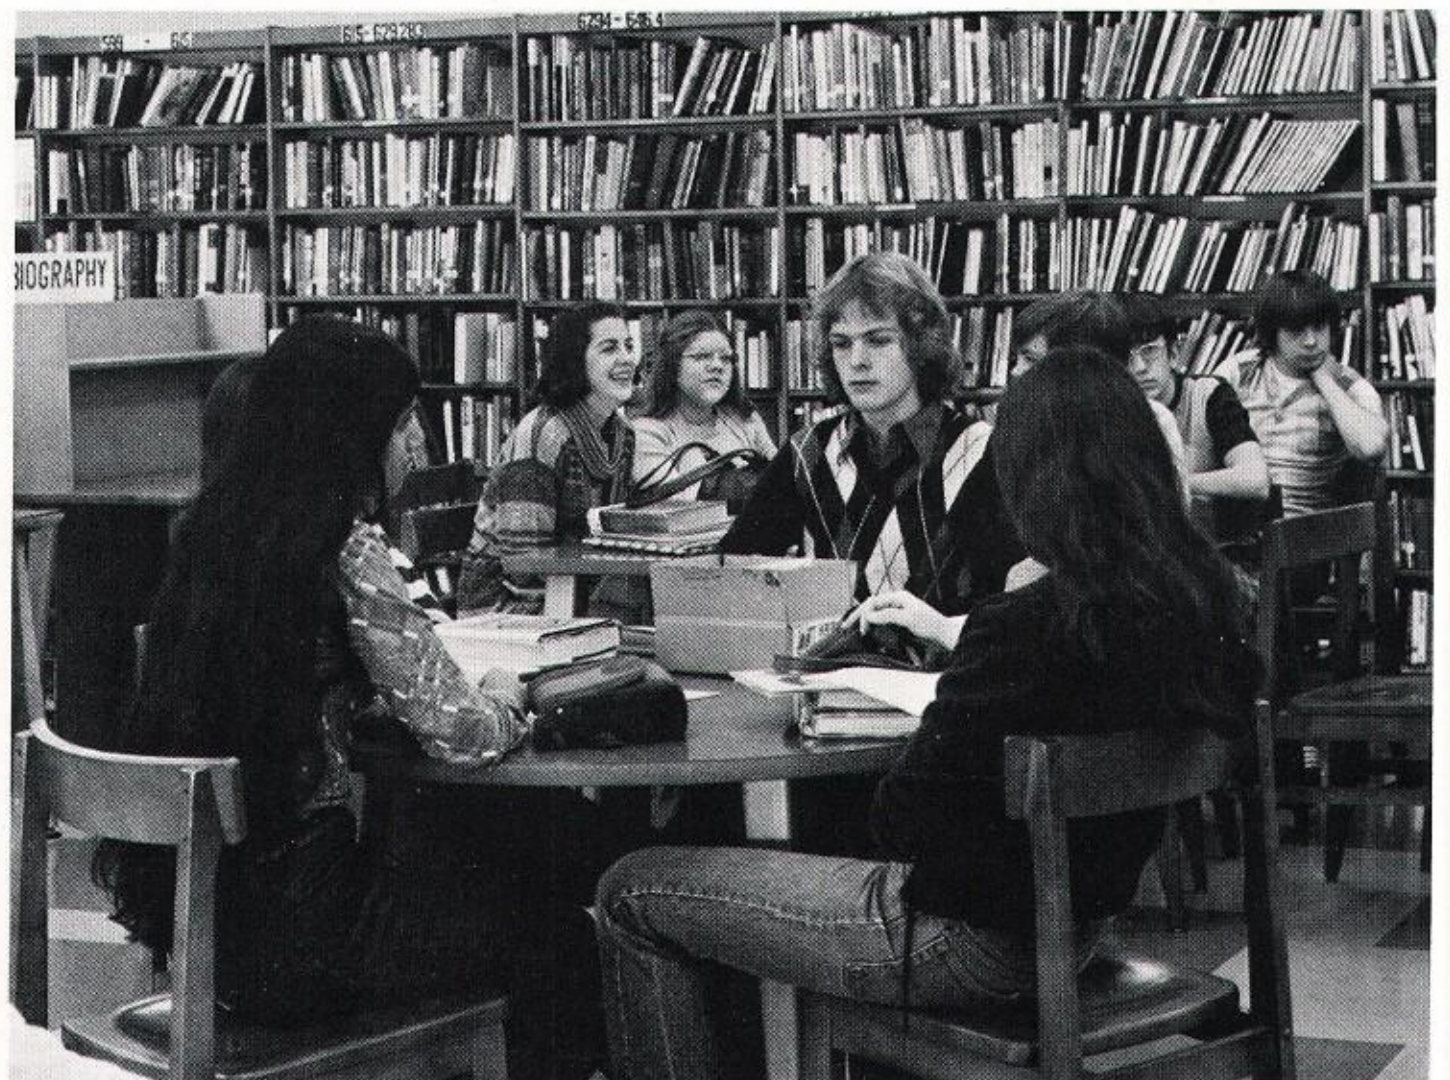

The Student Council is traditionally one of the most active organizations at WASHS. This year was no exception.

The Student Council members serve on different committees, thus allowing the designated groups to devote more time and attention to the many issues which arise. The Social Committee supervises all activities sponsored by the Student Council, among them Homecoming events, Activities Night, and dances. The Rights and Responsibilities Committee, whose duty is to protect the rights of the students and keep them well-informed of their responsibilities, initiated teacher evaluations this year. The Welfare Committee is primarily concerned with general courtesies. In the name of the Student Council, the committee sent cards and flowers to hospitalized students and members of the school staff during the school year. The Welfare Committee was also responsible for the development of the Want-Ads bulletin board. The Communications Committee is responsible for the maintenance of the trophy case and publicity for athletic and other school events. The Citizenship Committee is in charge of the selection process for the Outstanding Person of the Month Award. The Constitution/Charter Committee takes care of all affairs dealing with the constitution and issues charters to all the school clubs. This year, they succeeded in revising the Council constitution.

The projects which the Student Council members undertook this year were, for the most part, successful. Their numerous achievements are proof of the better relations between the students and administrators, which they helped to promote.

The highly-successful efforts of the 1976-77 Wayarian literary staff is evident in this edition of the yearbook. Under the able direction of editor Kathy Stambaugh, the dedicated staff worked long and hard to make this issue of the Wayarian one of the best student-produced yearbooks WASHS has ever had. They were: Virginia Baich, Frances Bassett, Amy Baylor, Dawn Bender, Denise Bercaw, Kim Calimer, Dena Cleaver, Susan Griffin, Nina Hoque, Kitty McCoy, Linda Niedentohl, Joyce Newcomer, Kim Null, Deb Pollard, Karen Punt, Cydney Savage, Carole Schwartz, Lisa Sung, and Pam Terry. The staff developed the opening section, the senior and underclassmen sections, the administration and personnel section, and the activities, sports, and school life sections under the supervision of Mr. Knier, in his first year as yearbook advisor. The many hours the staff put into the making of the yearbook are apparent; the end product is a fitting tribute to their tireless efforts.

The Wayarian business staff handled the advertisement section of the yearbook. The staff members sold space in this section to area businesses to help finance the yearbook. The staff, under the direction of Mr. Rankin, is an important factor to the cost of the Wayarian; without the business staff's efforts the yearbook would be much more expensive.

The Blue-n-Gold is the official school newspaper. It covers all areas of student life and school interest. Although the Blue-n-Gold had a slow start caused by difficulty in finding a printer, interest in the paper picked up this year. Reporters could be seen searching the school for sources of stories and doggedly pecking at typewriters. Miss Schafer, the advisor to the Blue-n-Gold, and Mary Farnsworth, the editor, kept the spirits of the staff members going.

Honor Society Begins Tutoring Program

The National Honor Society tried something new this year, by beginning a tutoring program. The members volunteered their time and efforts to assist students in their weaker subjects.

New members were introduced to the National Honor Society at the induction held in March.

What Do Library Club Members Do?

Members of the Library Club work in the school library during their free time. Among other things, the members check out books for students, shelve books, and search for magazines. The fines collected are used to purchase new books and library equipment. The Library Club sponsors the faculty tea and the spring banquet.

SFS AND FRIENDS INTERNATIONAL

Students For Survival consists of students interested in protecting the environment. The club which is divided into several committees according to various aspects of ecology, worked very hard toward the expected completion of a recycling center in the Waynesboro Area. Their other projects included a "Clean Up The Country Side" drive and a bulletin board, which suggested ways to conserve energy.

The purpose of Friends International is to explore and promote understanding of cultures which differ from ours. The clubs fund raising project, selling imported candy, proved to be very popular and successful. The club also featured guest speakers at their meetings and enjoyed slides from Africa and Saudi Arabia. This year's AFS student, Johan Svartberg, entertained the club with Swedish folk songs.

Money earned from the candy sale went toward an AFS weekend in which the club sponsored AFS students. The visiting students observed a day of classes, enjoyed a student body assembly and visited Hershey Park.

The Morning Announcements Club consists of energetic students who help school students rub the sleep out of their eyes during homeroom by waking them up with a thought for the day, or a stumble over intricate wording. The club, with its advisor, Mrs. Bucy, is an indispensable asset to WASHS.

DRAMA CLUB AND BOWLING LEAGUE

The Drama Club is interested in opening up the area of dramatic arts to any students curious about the theatre. The 1976-77 members started the year by studying the basics of acting. The students also enjoyed participating in and learning from the many areas of the all school production. Under the direction of their advisor, Mrs. Brezler, they also presented a play for the elementary students.

MATH CLUB AND CHESS CLUB

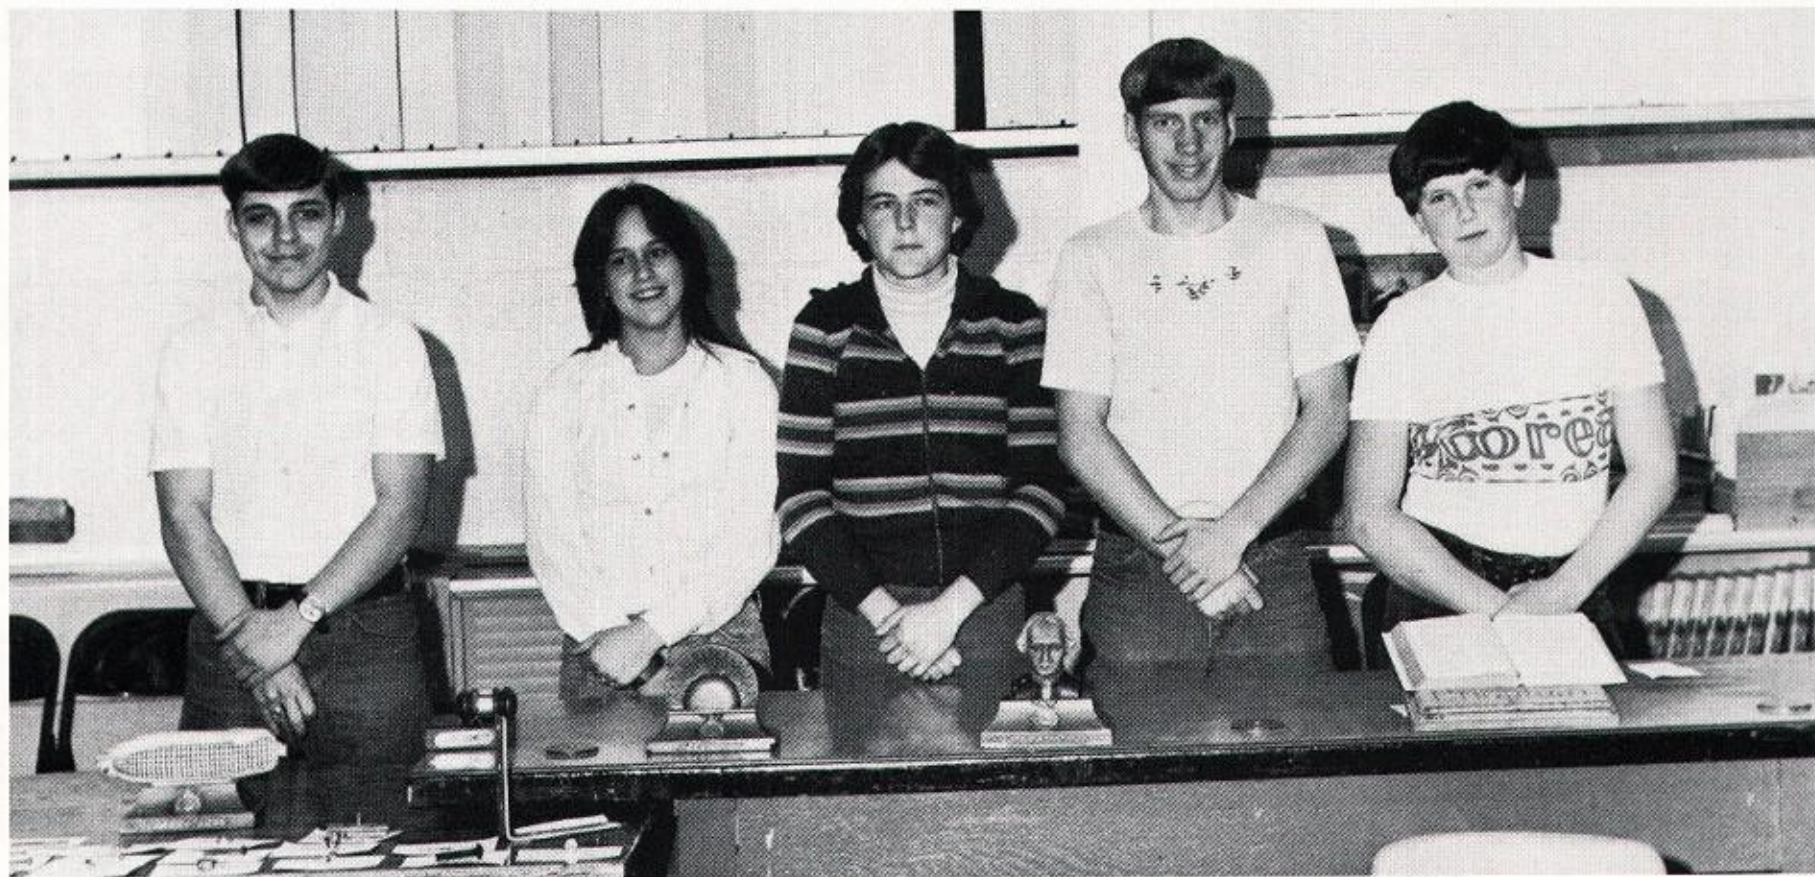

The Math Club is for any student interested in learning more about different aspects of mathematics. This year the 76-77 Math Club learned to program a calculator. The students involved did a lot of this work on their own, and called a meeting whenever new questions arose.

The Ski Club started off on a joyful slope season. The members of the club piled into cars every Monday in January and headed towards Ski Liberty. Following the mad scrambles for poles, boots, and skis, the members were divided into groups according to their experience and given an hour of instruction. The beginners struggled up and down the easy slope, Sneaky Pete, while the advanced skiers whizzed by on the tougher slope, White Lightning. At the end of the season all of the members agreed that they had had fun, and they vowed to return again next year, if only to conquer that one mogul.

Cheerleaders are traditionally active in school sports, and the WASHS cheerleaders are no exception. The girls are present at nearly all of the athletic events except gymnastics and track meets. Under the direction of Mrs. Sandra Beaumont, the 16 cheerleaders were divided into the Blue and Gold squads. Bobbi Fry is captain of the Blue Squad, which wore the new cheerleading uniforms for the first time this year. The Gold Squad captained by Jeannie Scott received new vests. And for each home football game, area florists gave the girls corsages.

The cheerleaders must maintain a certain grade-point average; in addition, a demerit system helps to determine the girls' eligibility to cheer at the various school functions. The cheerleaders are a vital part of WASHS sports events, and they deserve fully the praise they receive.

Indian Football Team Has Good Season

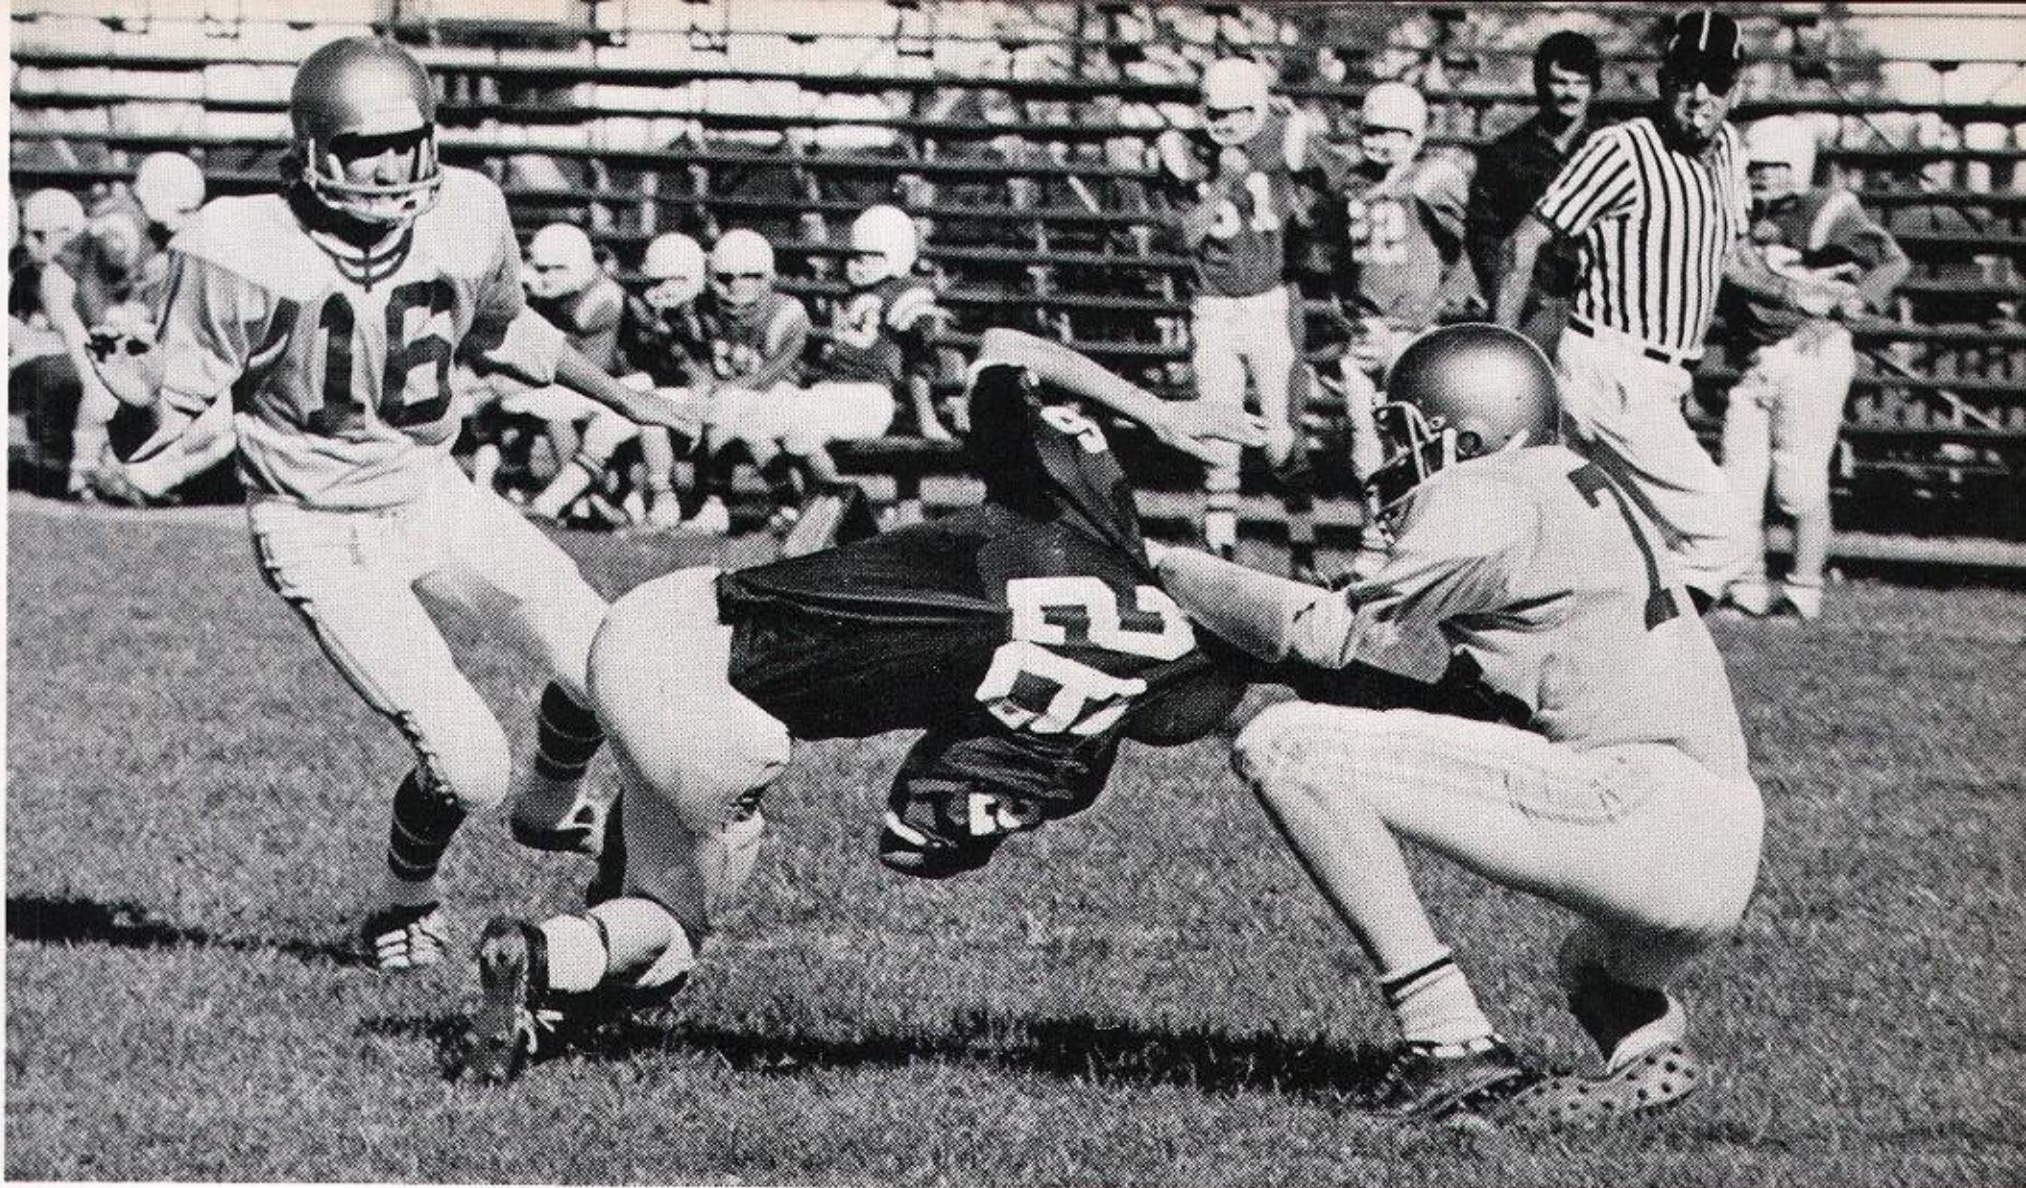

The Indian football team completed its 1976 season with a 3rd place in the Tri-State League. The team, led by captains Craig Walck and Jeff Arendt, had a total of 5 wins and 5 losses. Coach Bob Mesaros will be losing 6 outstanding seniors, but will still have an experienced team because a number of players will be returning.

The Junior Varsity football team coached by Robert Beaumont finished with a 0-6-1 record for the 1976 season. Some of the outstanding players for the team were Richie Warner, George DeGrange, George Scott, Wayne Newcomer, and Dan Mowen.

This year the Indian cross country team ran a long stretch without stopping, as they compiled a perfect 9-0 seasonal record and took first place in the Tri-State Meet. Tom Kirk, Dwight Wilkinson, and Phil Dennis were Waynesboro's leading varsity runners.

The J.V.'s also did extremely well with the help of Mike Selman, Randy Swink, and Andy Warner, who were three of their top runners. The J.V. team should have another fine season next year.

Lack of interest and a need for players plagued the Maidens this year as they compiled a 7-4-1 record in the South Penn Athletic Conference. The defense played well with Kathy Seilhammer playing at fullback, and Tara Sanders covering as center halfback. Mickie Hoffman scored 10 of the 19 goals and played consistently well throughout the year. Coach Mary Rotz is looking forward to next year with the addition of former junior high hockey players to the team.

The Junior Varsity tallied a disappointing 0-8-3 record. They played well, considering there were sometimes only 6 or 7 starting players. Coach Ogle helped keep the team together, and she hopes the girls will continue with hockey in the future.

Soccer Team Has Up

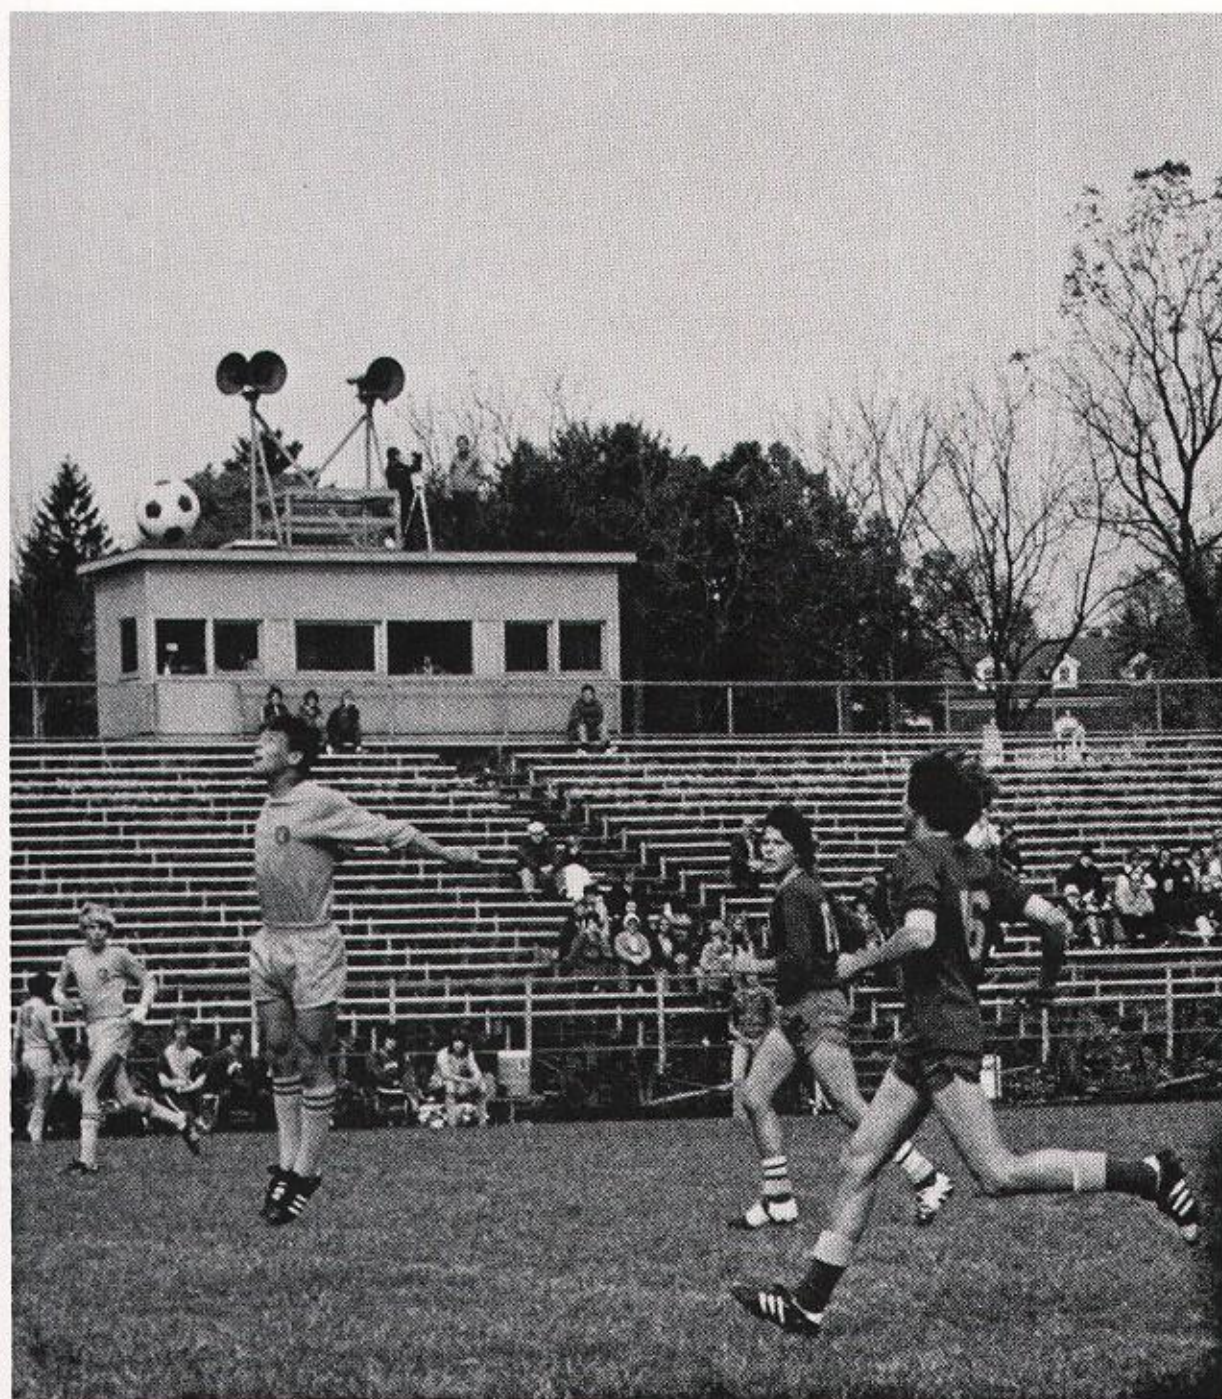

The soccermen faced a tough season in the South Penn Soccer League, tallying a 5-5-4 record for the year. Coach Robert Stum feels the team showed a marked improvement over the last year and their enthusiasm helped contribute to their playing. The Indians shut out five opponents while being held scoreless four times. Four players: Doug Beckner, Jim Ausherman, Larry Geeseman and Don Lawler were named to the South Penn Soccer League's Western Division. This placed Waynesboro second to Fairfield in the division.

Golfers First In Tri-State Division

The 1976 WASHS golf team shared the Tri-State Conference championship this year with Thomas Johnson. The team compiled an 11-2 overall record and a 10-2 record in the Tri-State division.

At the beginning of the season the players were still relatively inexperienced, but they did considerably well this year. Tom Swartz, a returning letterman, was named to the All-Conference first team, and Alan Miller was named to the All-Conference second team.

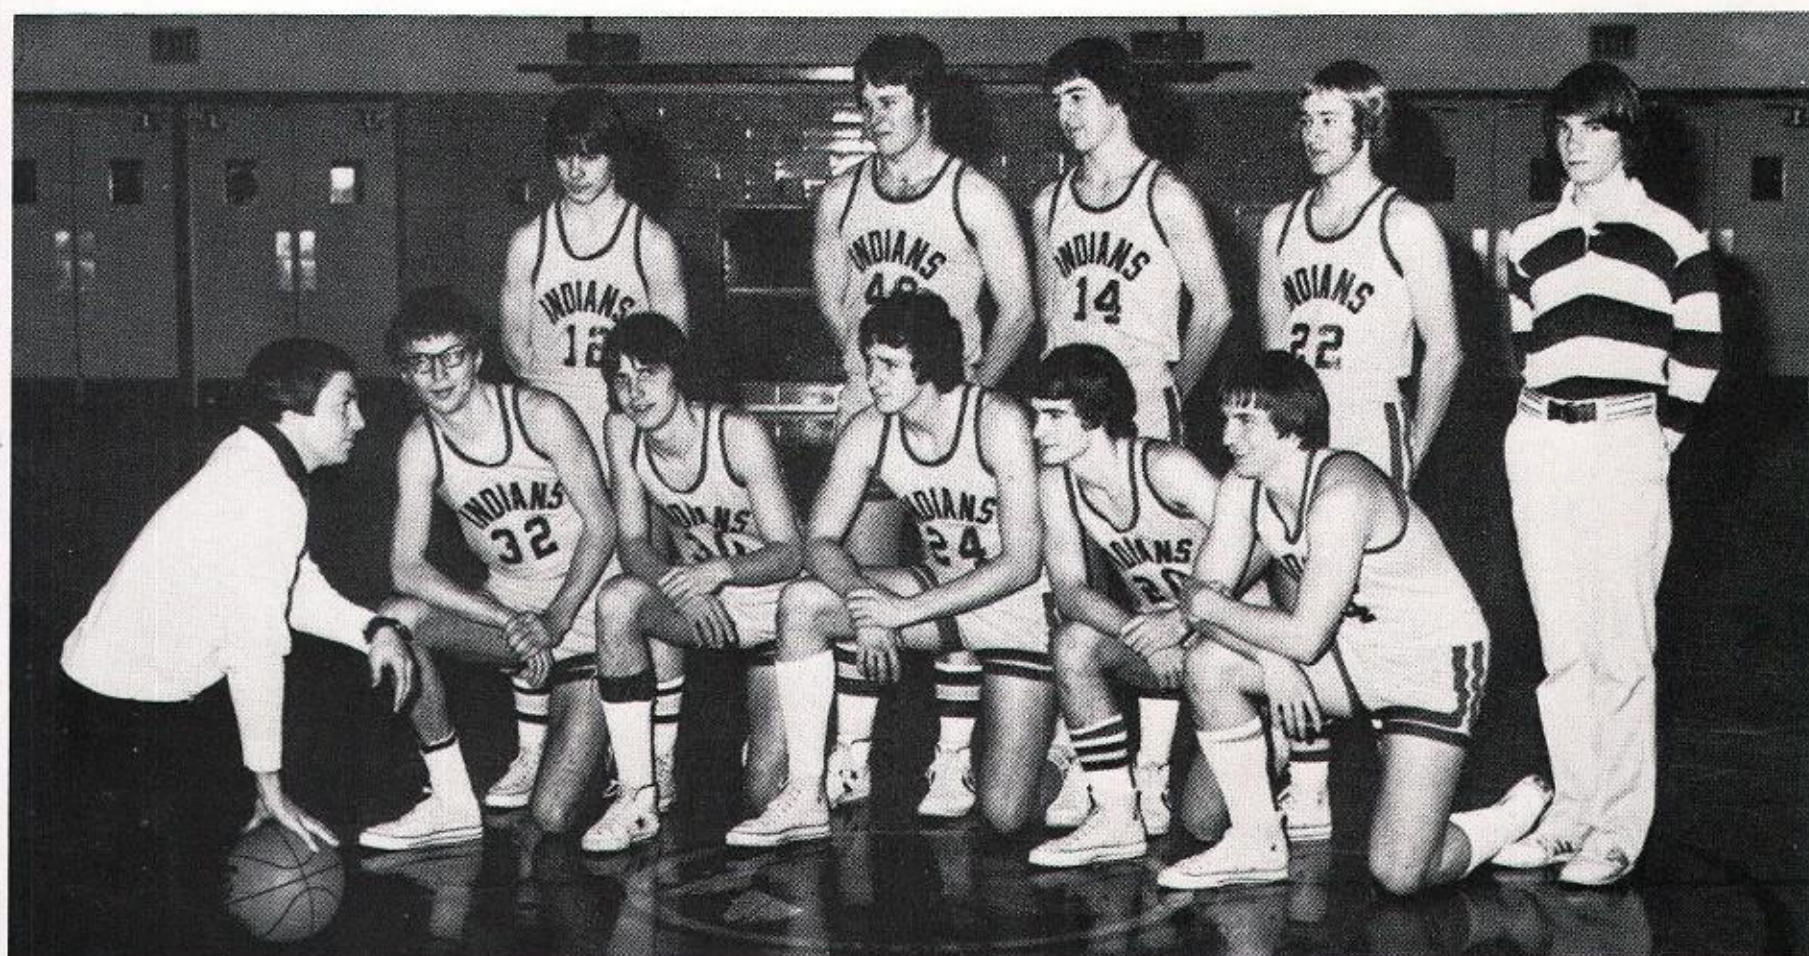

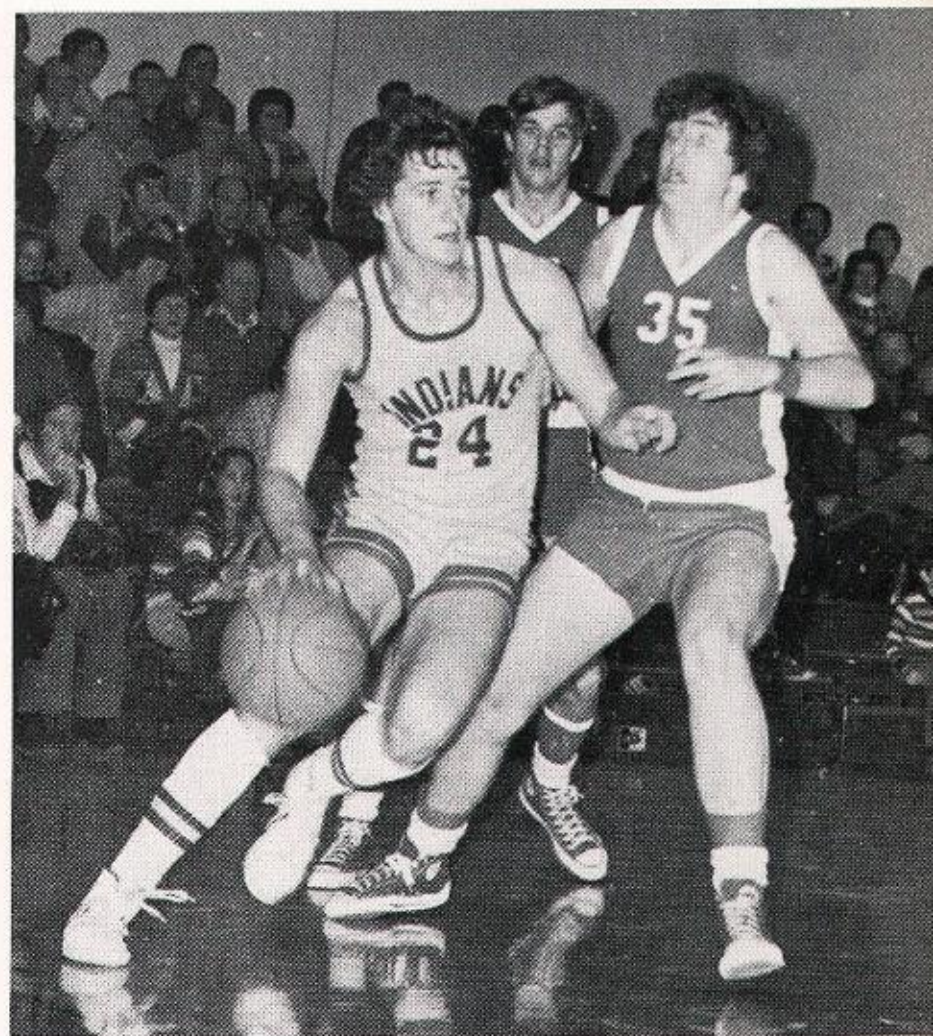

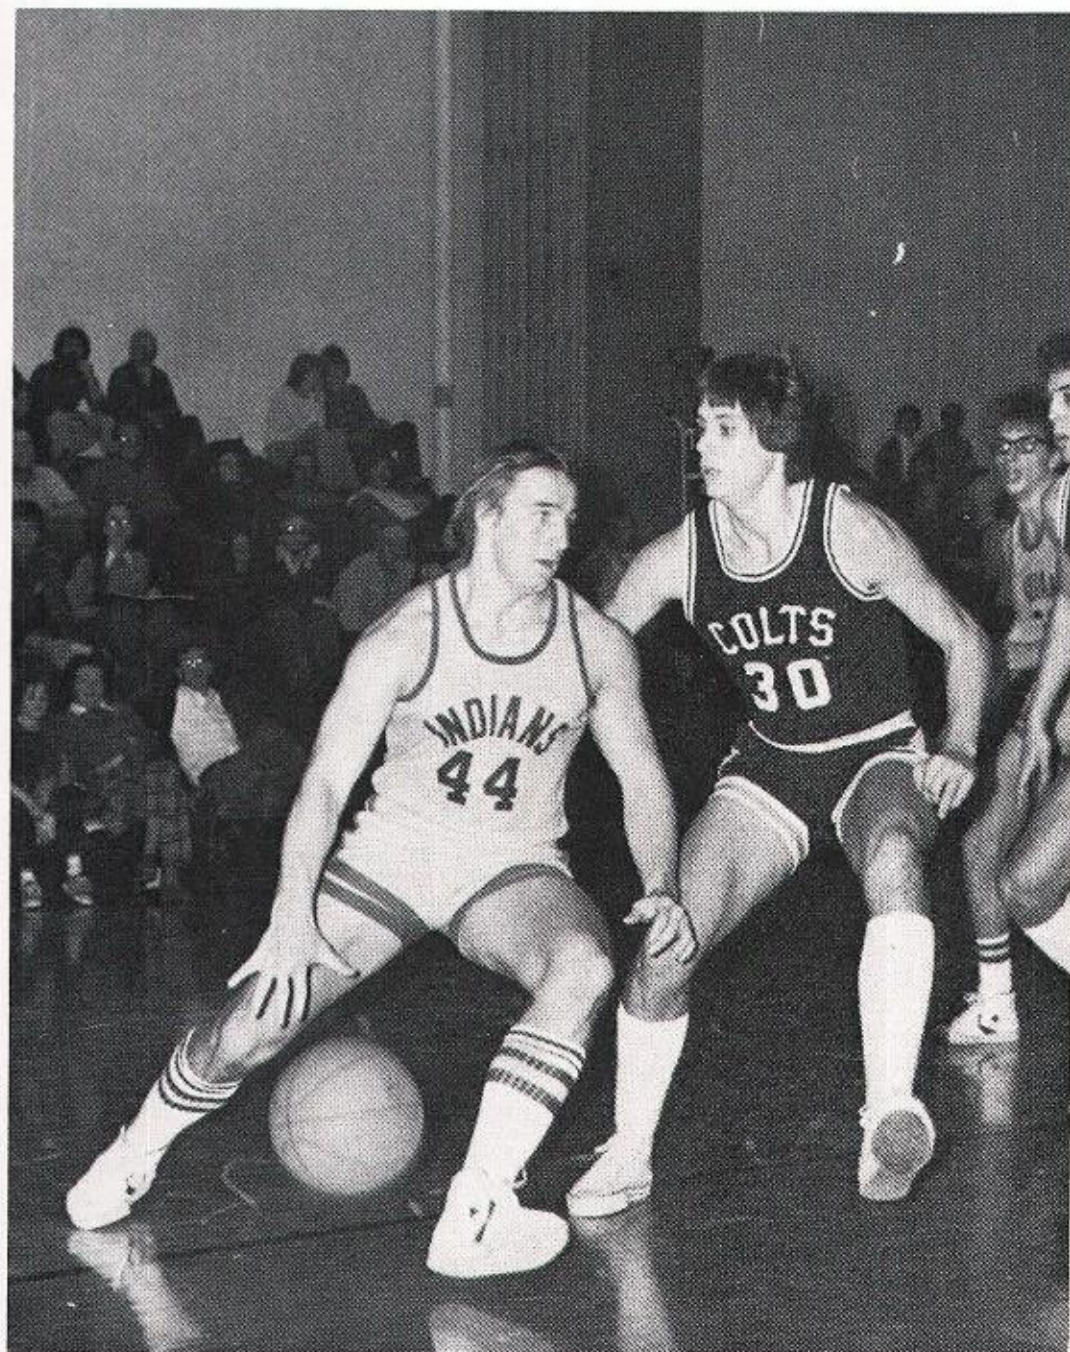

The golfers and Coach Brian Sachs are justifiably proud of their successful season this year.

Ken,

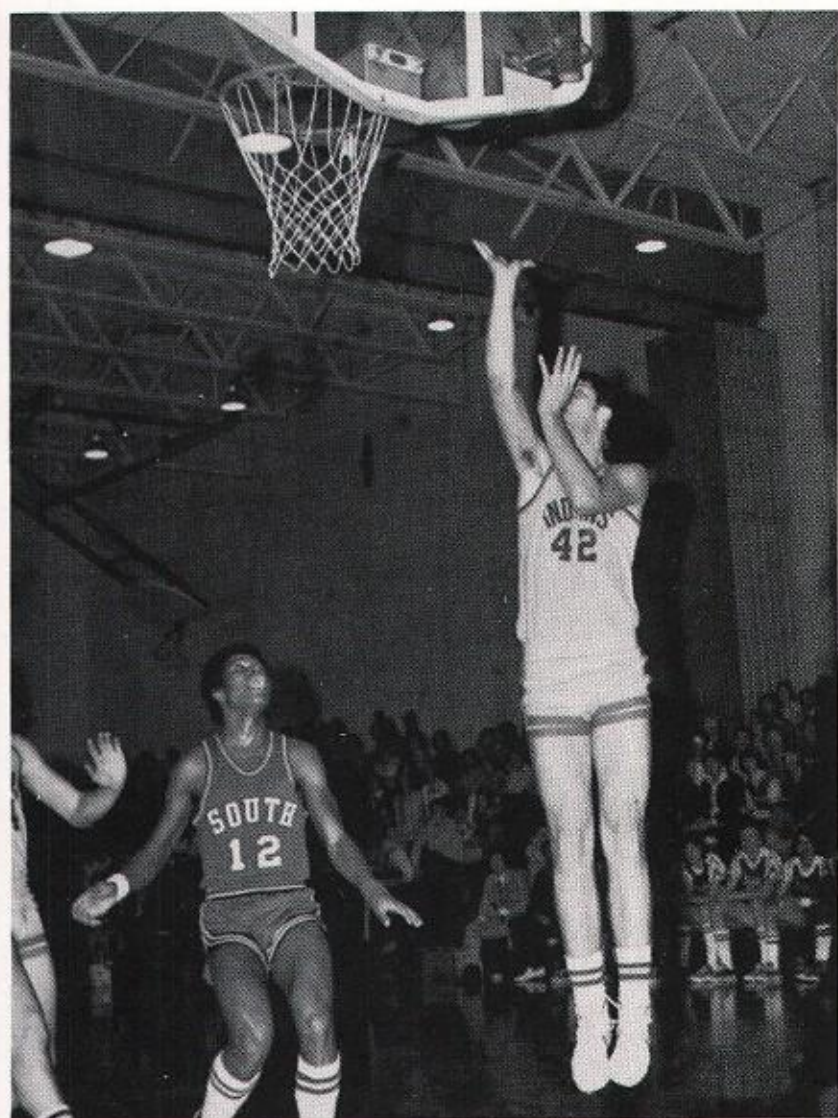

No dope from now on! Remember Basketball and the All-School Production. I am glad I got to know you during this past year and the basketball season. (Even though it was only a brief stint.) From one Republican to another I hope you do well in future especially with your politics. Have a great summer because it passes so quickly. Hope to see you over the summer.

Jim MS, (Hack)

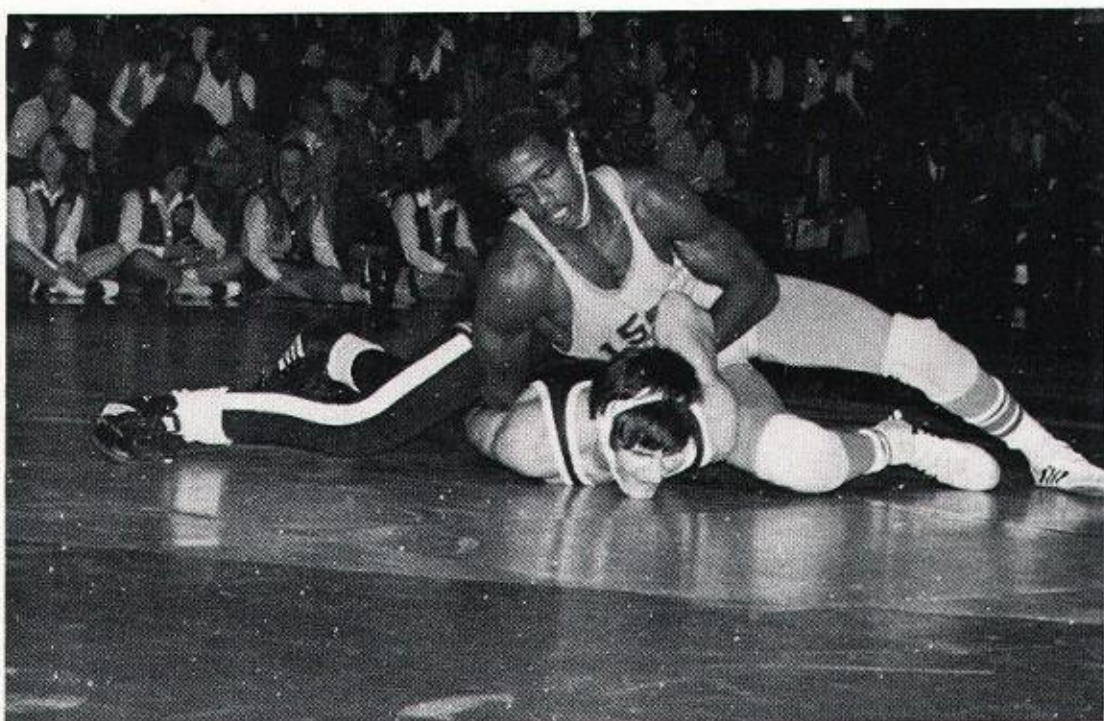

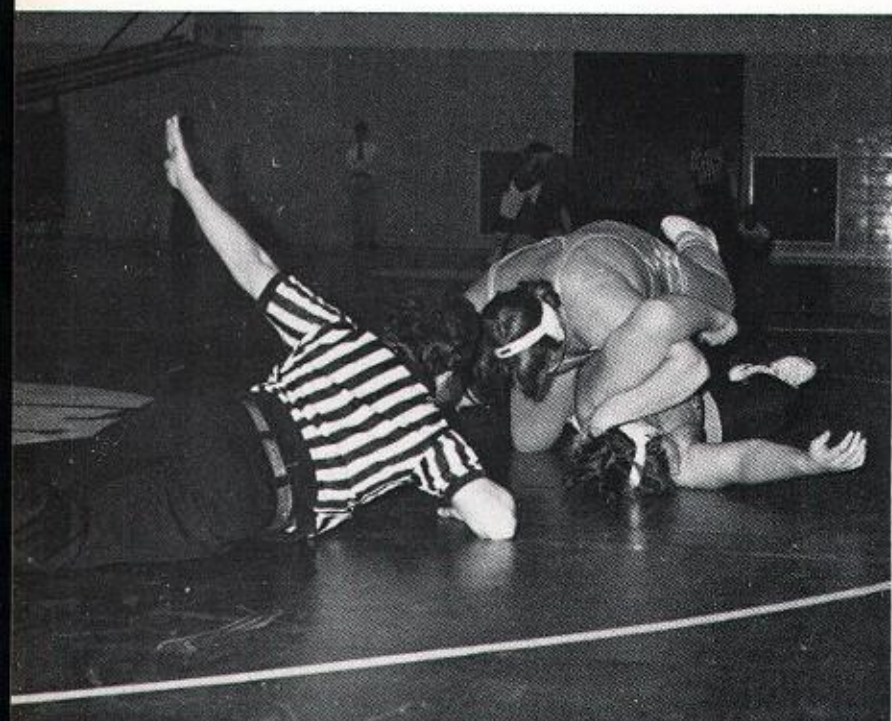

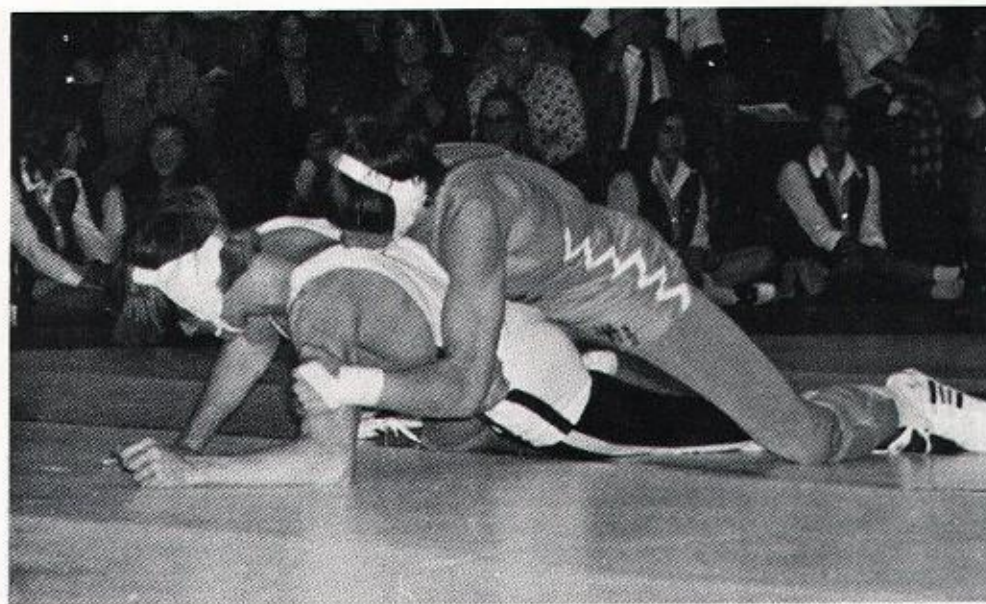

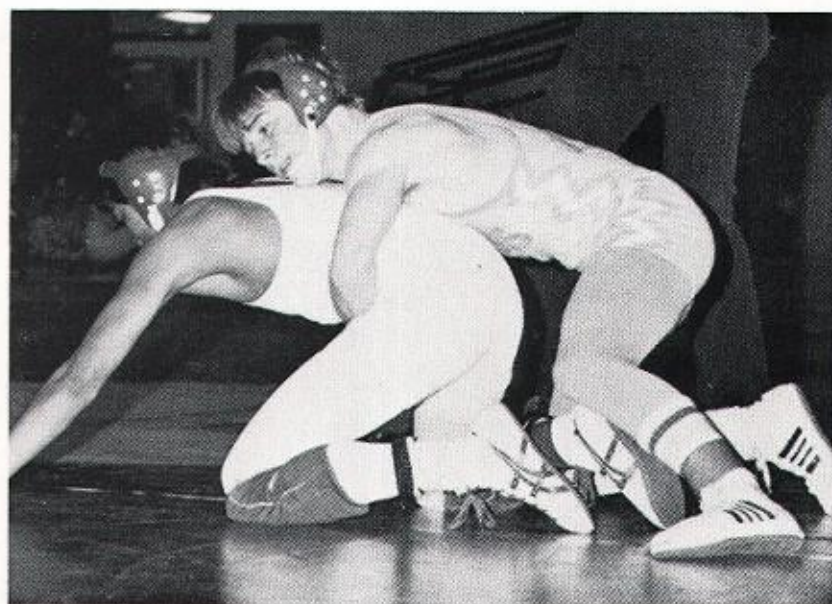

This year's Indian basketball team was a welcome sight to Waynesboro fans, for the team compiled one of the best records in recent years. One of the season's highlights was a pair of victories over arch-rival Chambersburg. The Indians were in contention most of the year for the highly contested Tri-State League crown and played consistently at .500 or better. The Indians were in every game until the very end and topped off a fine season with their first birth in the district play offs in a decade.

Captain Allen Washington led the team with 61 points, finishing as one of the best wrestlers in WASHS history.

Coach Liddick resigned at the end of the season with a 46-8-1 record in four years at WASHS.

Maiden Hoopsters

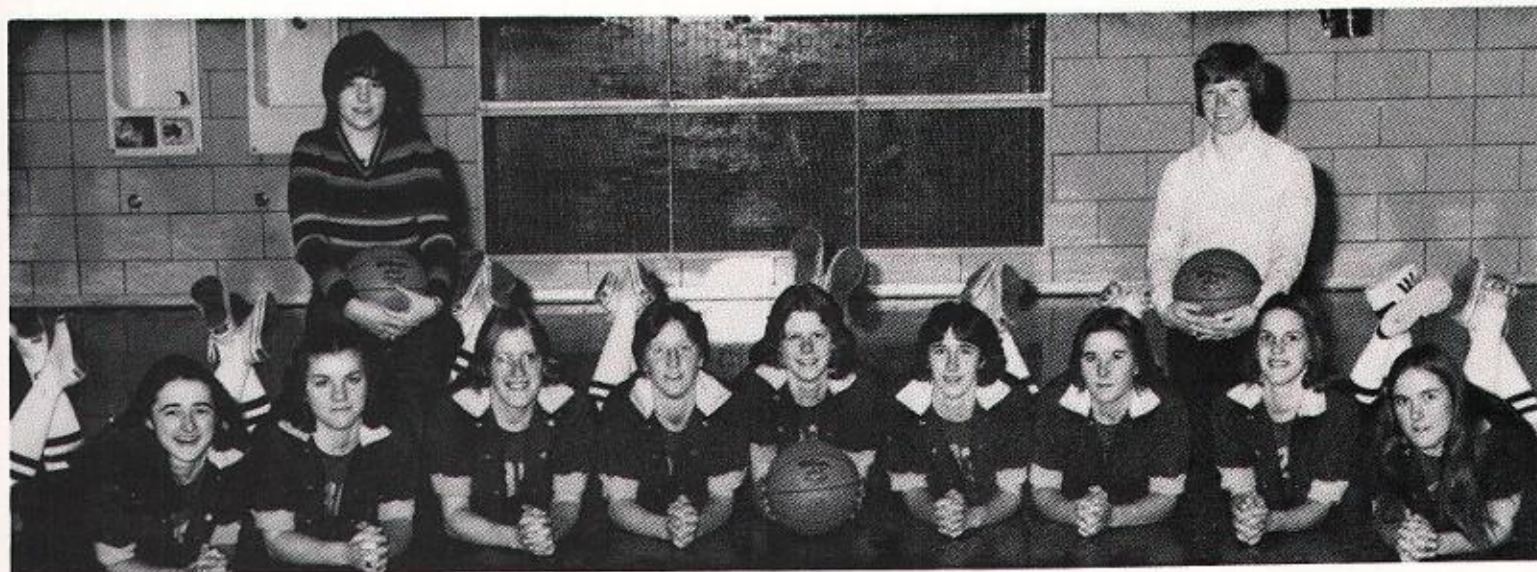

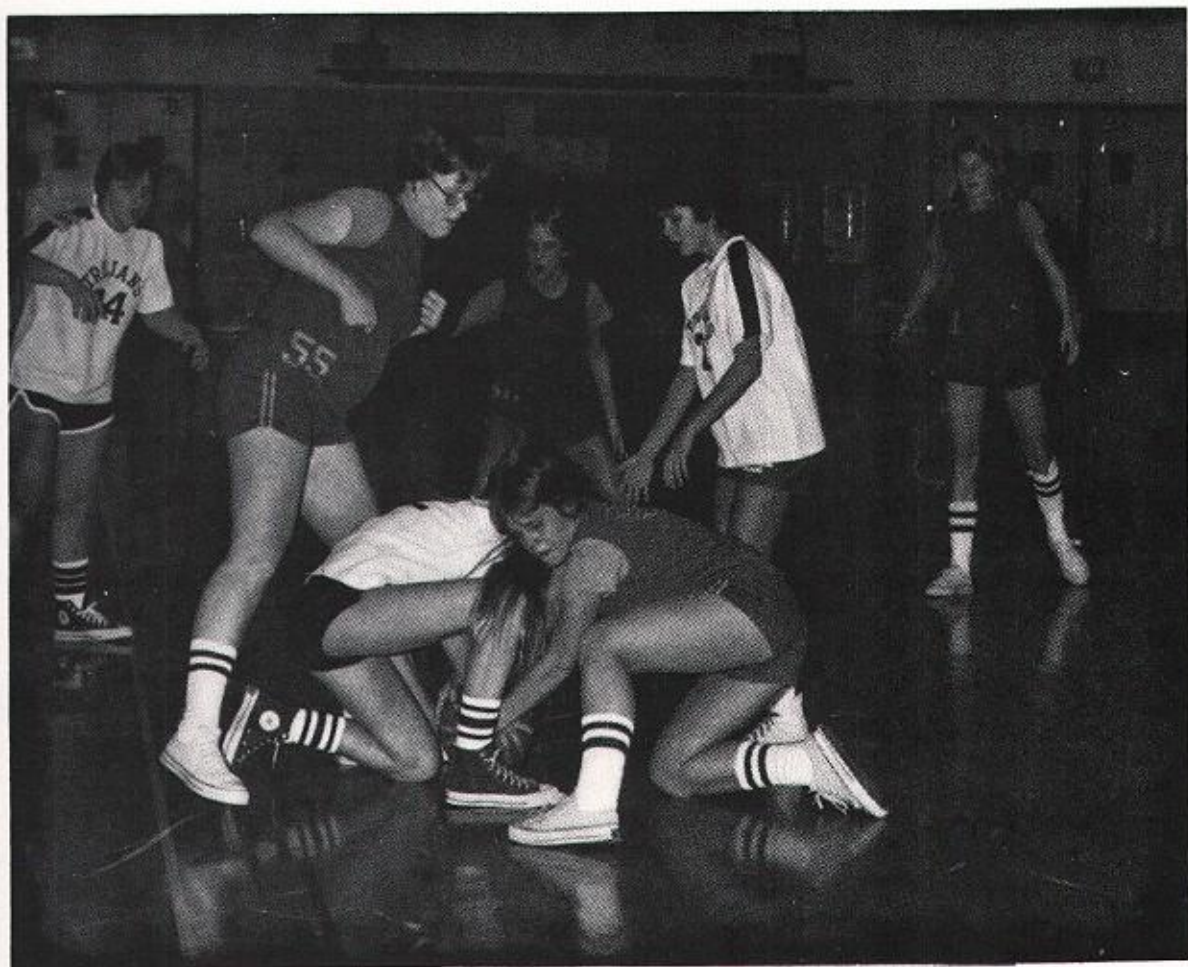

The 1976-77 Maiden basketball team had a very successful season. The team was runner-up in the Tri-State League and placed second in the Blue Mountain League under tough competition from Scotland School.

Tara Sanders set a new high scoring record for the school. The team will be losing 5 starters this year through graduation, they are: Ruth Bendict, Karen Kugler, Tara Sanders, Kathy Seilhammer, and Bonnie Zehler.

The Junior Varsity was co-captained by Pam Monn and Jill Masters. The team was coached by Edna Rice. Kim Kriner let in rebounds and also placed as high scorer.

Maidens Champions Again

Ken,

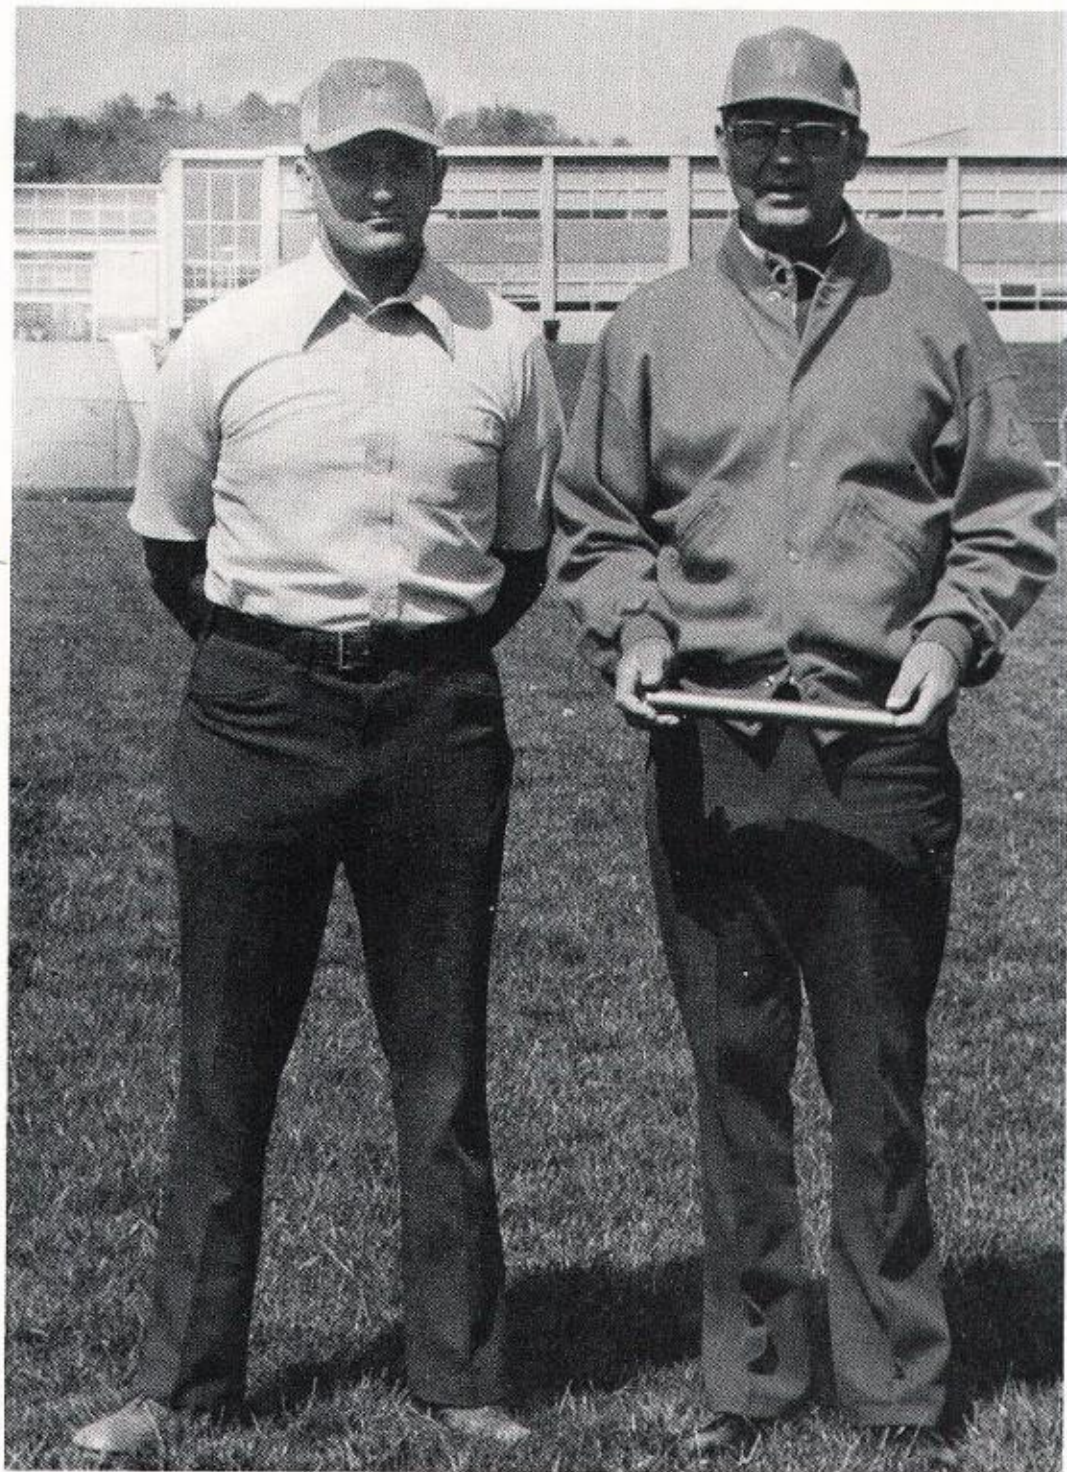

To a really brooding

good work! Too bad
we didn't have too
many classes together
maybe next year.
Good luck in the year
to come. "AYA
Michelle"

Once again the identity of the WASHS Maidens as the South Penn League champions was indisputable as they swept through another undefeated season. Their outstanding season record brings their winning streak to 29 meets, having never been defeated in three years of team competition.

The Maiden harriers participated in the Dickinson Invitational, where they placed third, and the Carlisle Invitational, where placing second in the meet also qualified them for the state meet.

The 440-yard relay team, comprised of Ann Brothers, Sara Robinson, Michelle Flood, and Stephanie Robinson qualified in the P.I.A.A. Track and Field State Meet with a time of 50.7 seconds. They broke their previous time and set a new school record by running an outstanding 50.38 race in the semi-final heat. They were clocked at 50.9 seconds for fourth place in the final heat.

Coach William Zehler has a distinguished record, and with the fine background the girls have, he anticipates another highly successful season.

Diamondmen Have Better Season

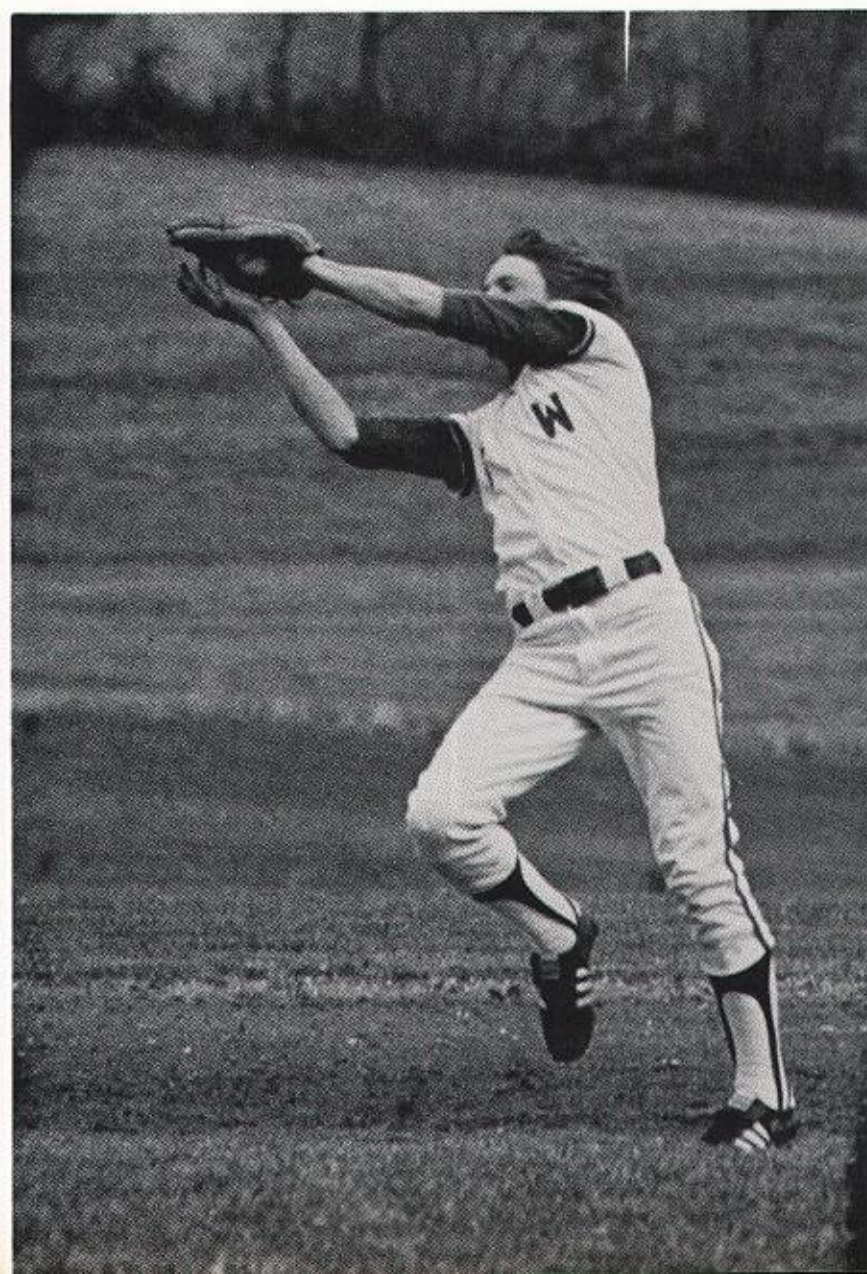

The Indian diamondmen made a comeback with an 8-9 season record as compared with the previous 3-11 record. Mr. Richard Hersh coached the varsity team, which got off to a fine start by winning a double-header against the Thomas Johnson Patriots.

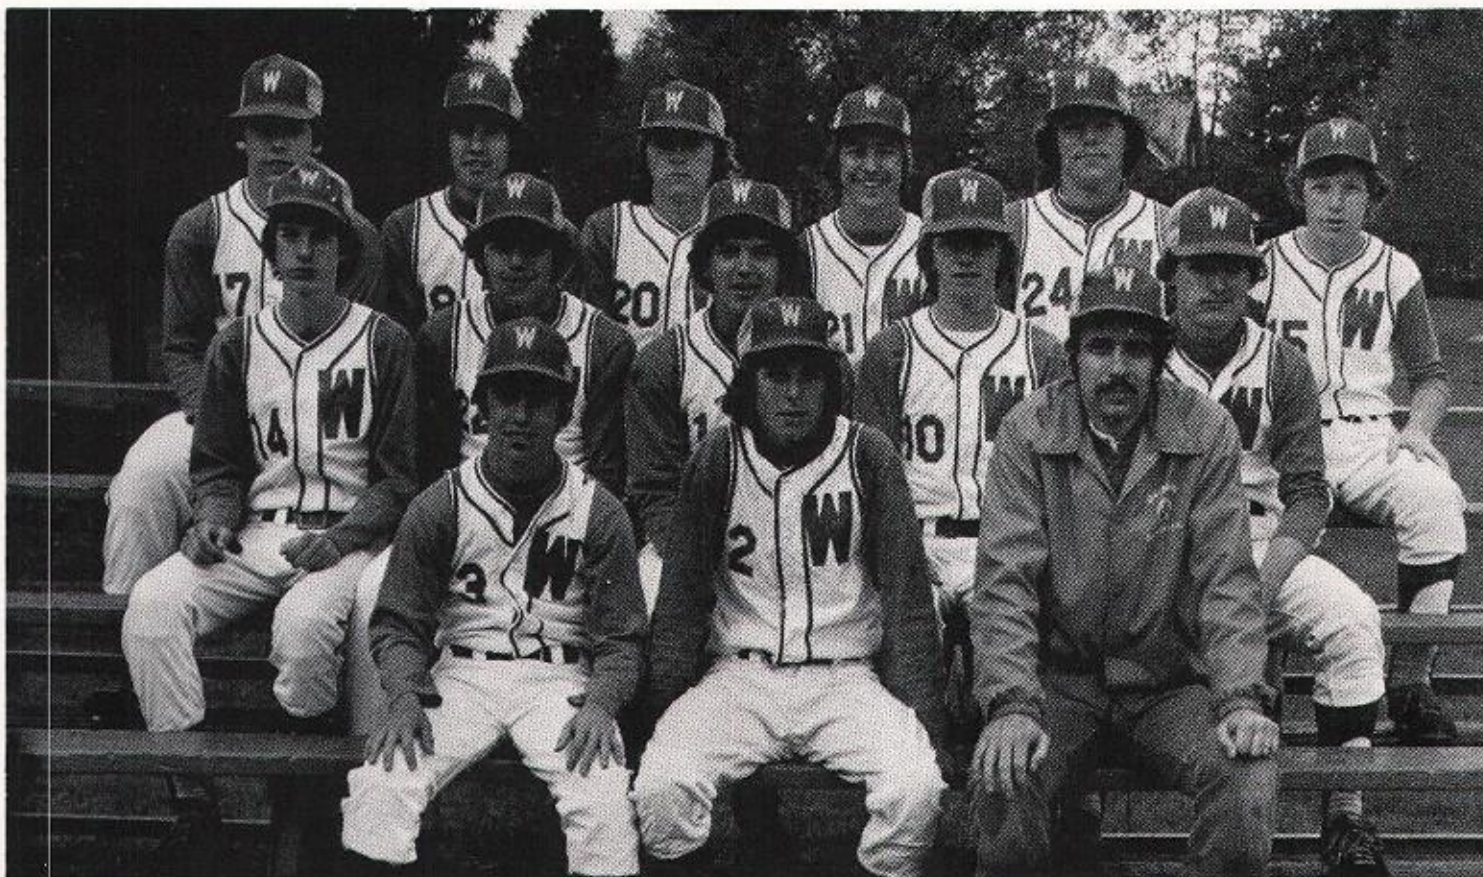

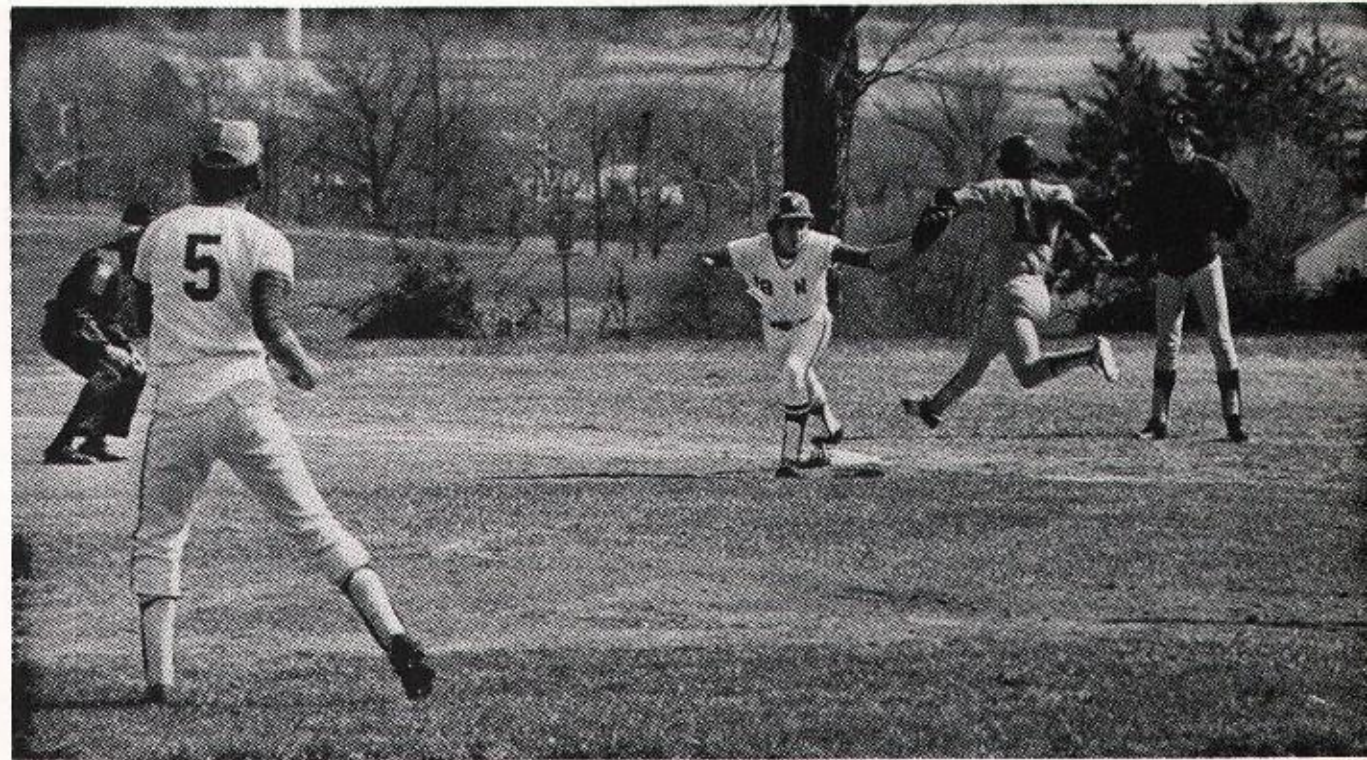

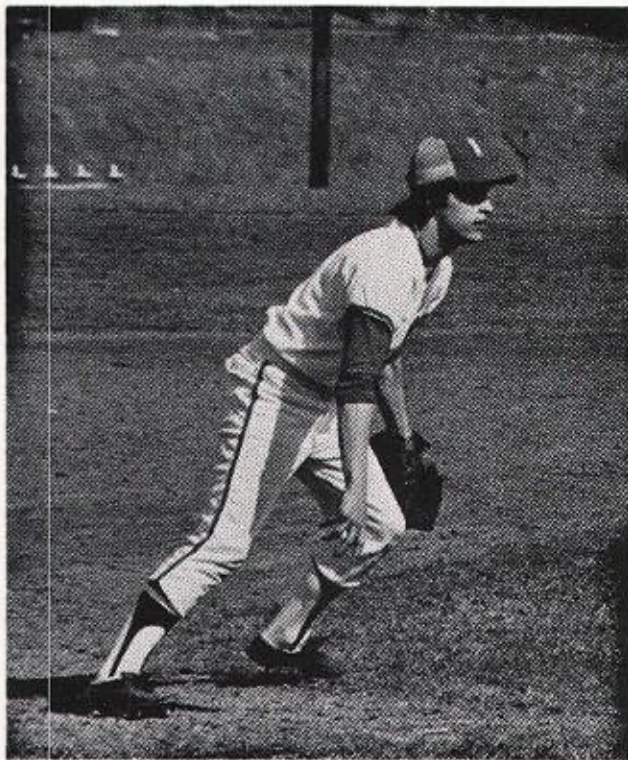

The team was comprised of many fine individual players. John Blubaugh, Don Lawler, Ken Rowland, Craig Walck and Alan Yentsch all pitched a good season for the Indians. Other outstanding team members were: Doug Beckner, Jeff Arendt, Robert Wolff, Jeff Adams, Scot Stine, Jim Ausherman, and Jeff Stepler.

The L'il Injuns posted a winning 5-4 slate under the coaching of Mr. Joseph Mackley. Both coaches have hopes for an even better 1977 Indian baseball season.

A Time For Us

Under the direction of advisors Mr. Reichard and Mrs. Bucher, the class of '77 produced a lovely setting surrounding the theme "A Time For Us" for the 1976 Junior-Senior prom. Many devoted members of the class worked on the various committees, earnestly striving to beat the April 30 deadline. The results were splendid as couples entered a dream world of seasons, time and space via a large rainbow and a time tunnel entrance. A committee provided refreshments for the couples as they sat at the tables about the cafeteria area. "Saturday" provided good music as the evening proved to be a memorable experience for all.

Our Friend From Sweden

This year, the American Field Service program brought Sweden's Johan Svartberg to WASHS. Johan is fondly known as "Joe." He left his family and the busy city of Gothenberg to reside with the Sell family in Blue Ridge Summit. His father works in the Swedish Parliament and is seldom home, whereas Col. Sell, his "new father," spends a great deal of time with his family.

Johan finds WASHS to be more conservative than his Swedish school, yet he enjoys attending classes here with his many new friends. He is an active member of the soccer team, Tribe and Concert Choir. We hope that Johan's senior year here with us will hold many pleasant memories for him.

Ken,

It has been a good year, and it went fast.

Always remember the Tribe, and all other stuff like the ASP and your crazy friend

Joe

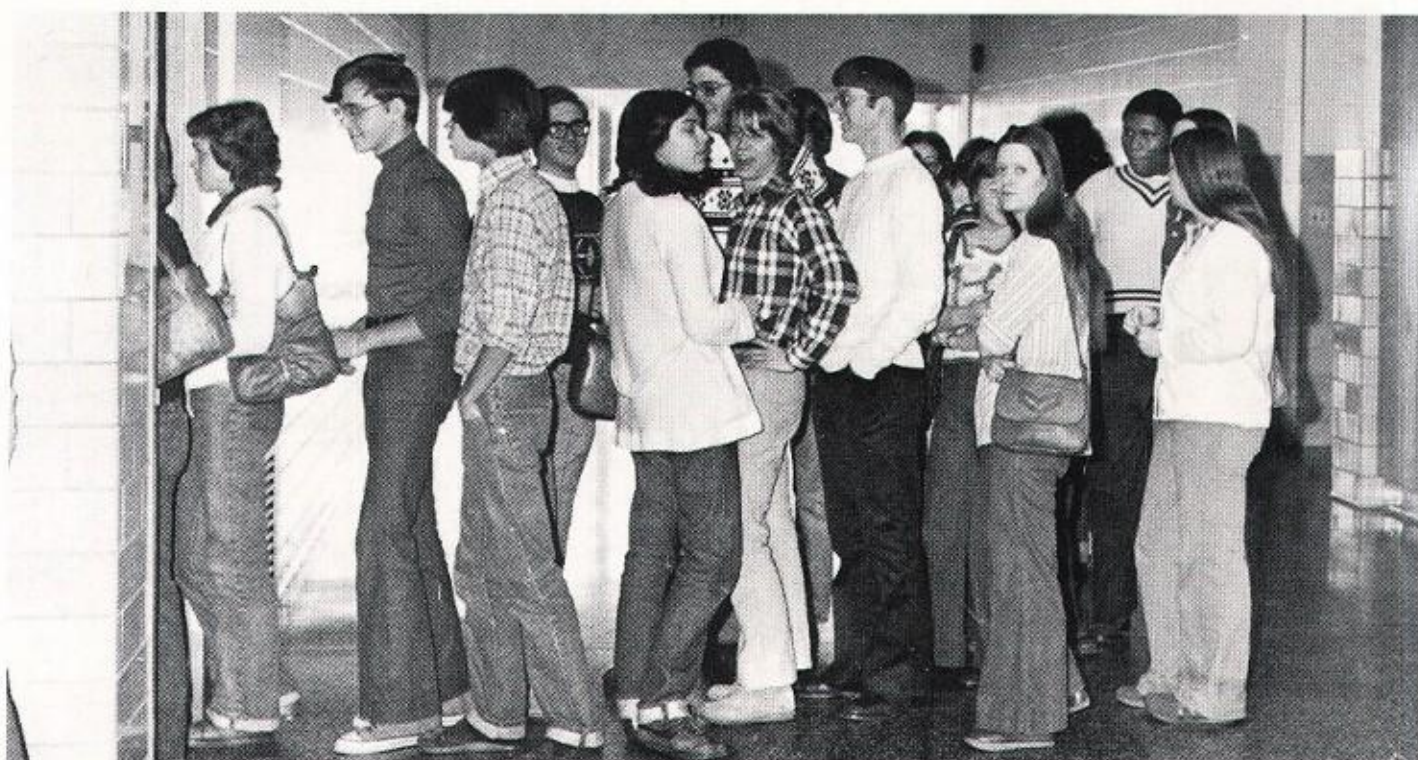

What happened to the money I gave you yesterday?

I wish we were Seniors; they never do homework!

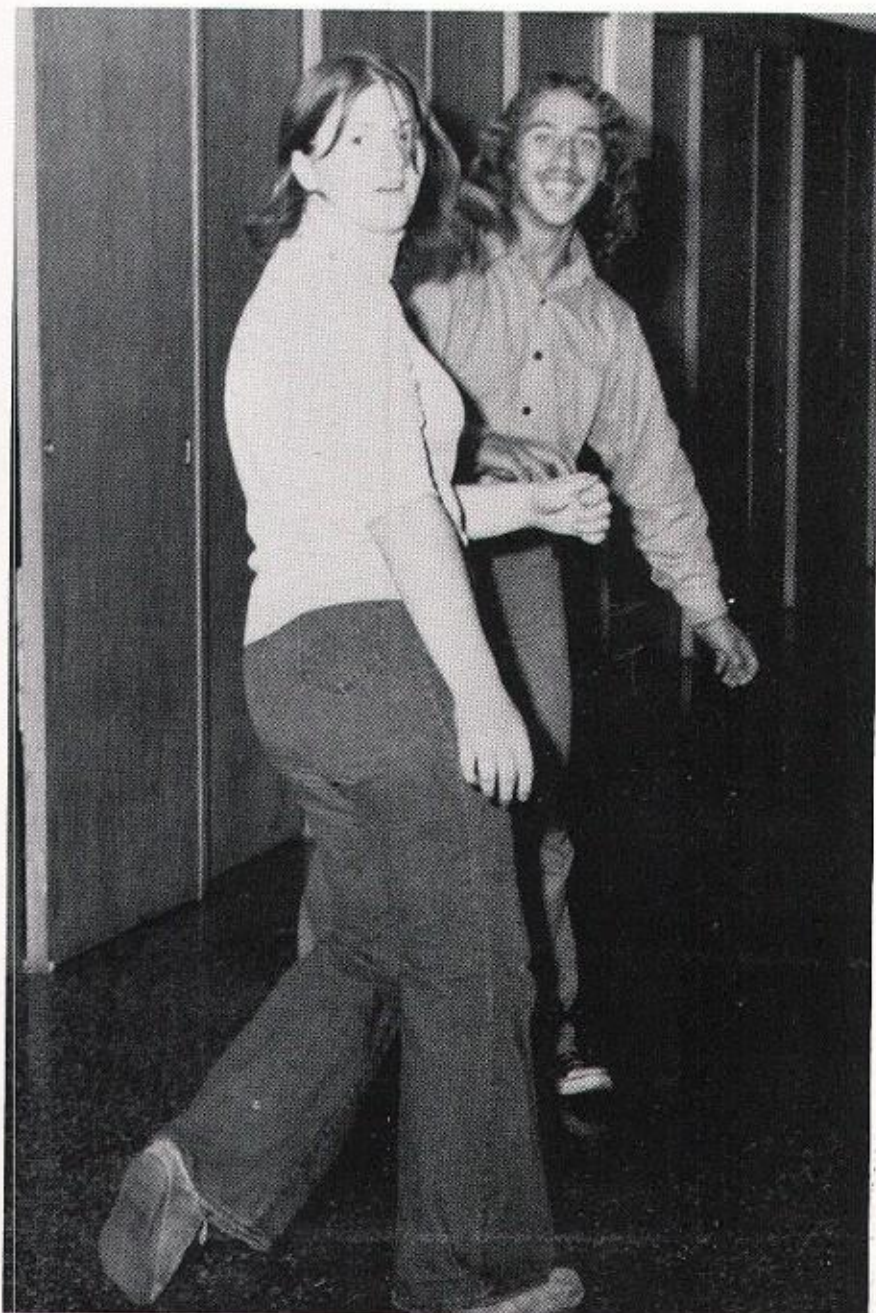

What are you doing here?

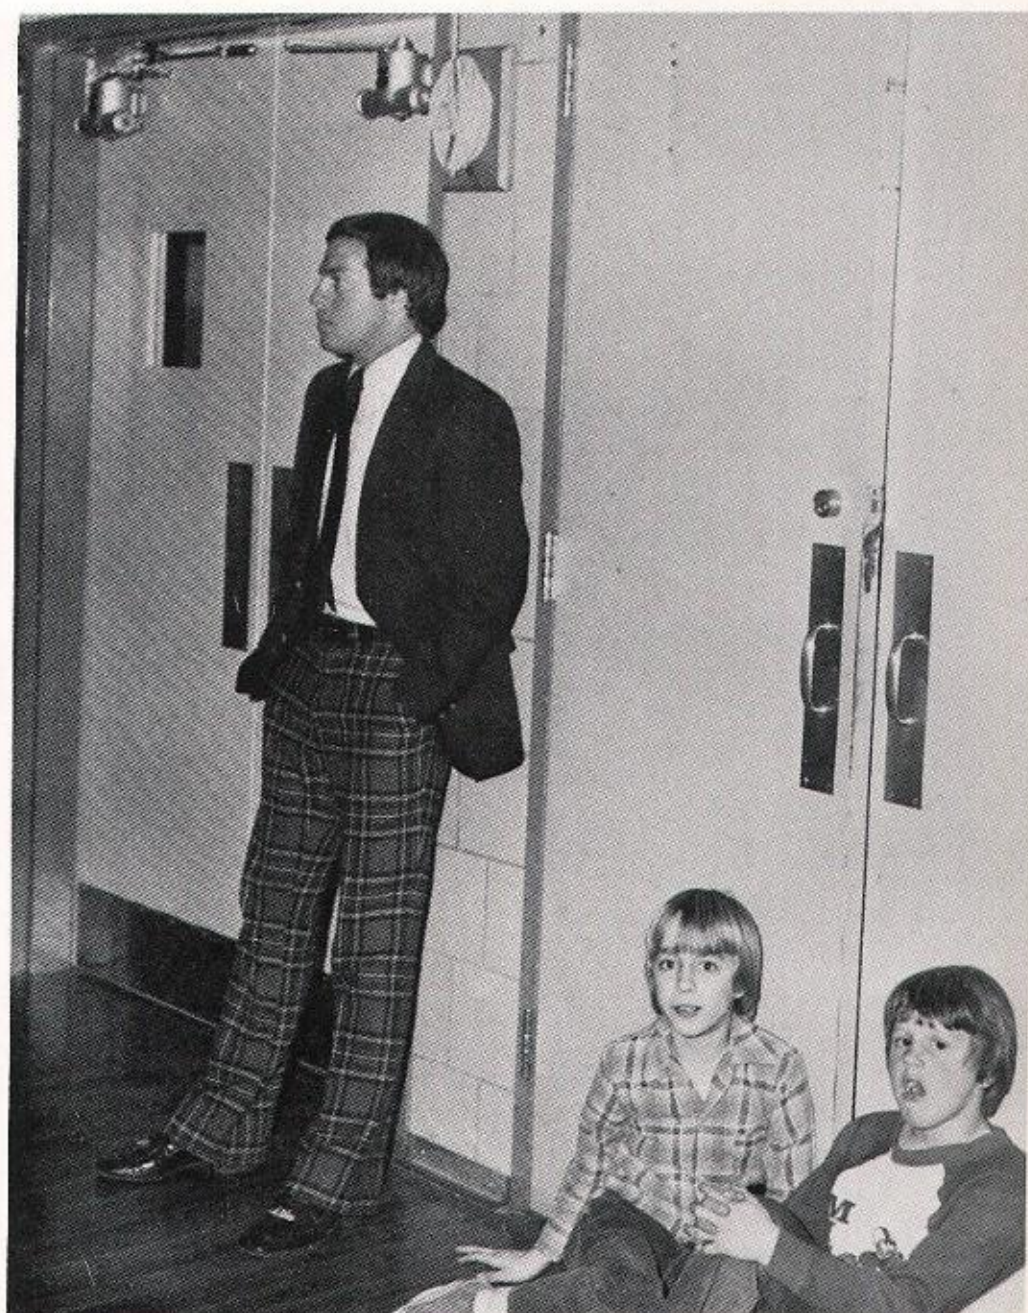

What do you mean spaghetti without the grease?

Where's all of the brandy?

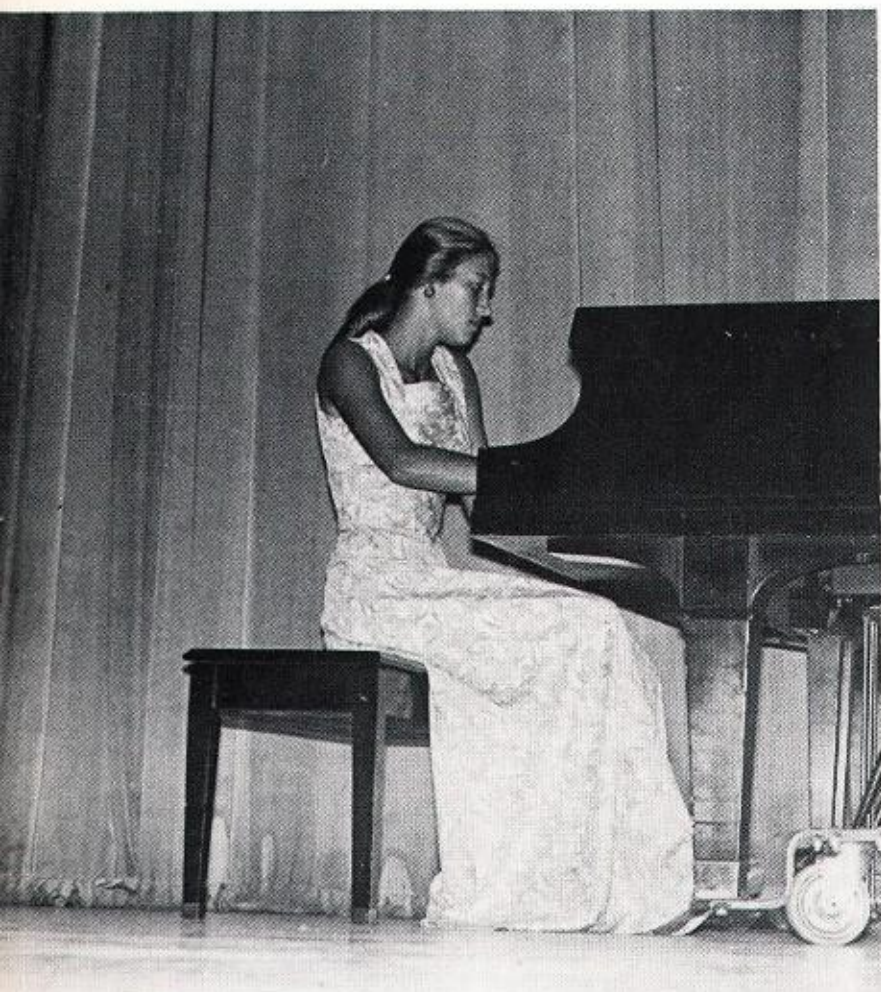

Quit following us!

I wish these kids would let the coaching to me!

Cyndee Hirt Crowned Junior Miss

The 1977 Franklin County Junior Miss pageant was held on the evening of September 18, 1976. Among the thirteen girls competing for the title were five representatives from WASHS. Cyndee Hirt captured the title and the chance to compete in Pennsylvania's state Junior Miss pageant. Along with the Junior Miss title, Cyndee also won the Scholastic Achievement Award and the Poise and Appearance Award. Sherry Foster, who performed a vocal selection, was chosen as first runner-up. Susan Griffin, winner of the Creative and Performing Arts Award for her piano solo, was selected as second runner-up. Bobbi Fry who did a dramatic presentation, and Kathy Stepler, who performed a piano solo, also represented WASHS in the competition.

Homecoming Week At WASHS

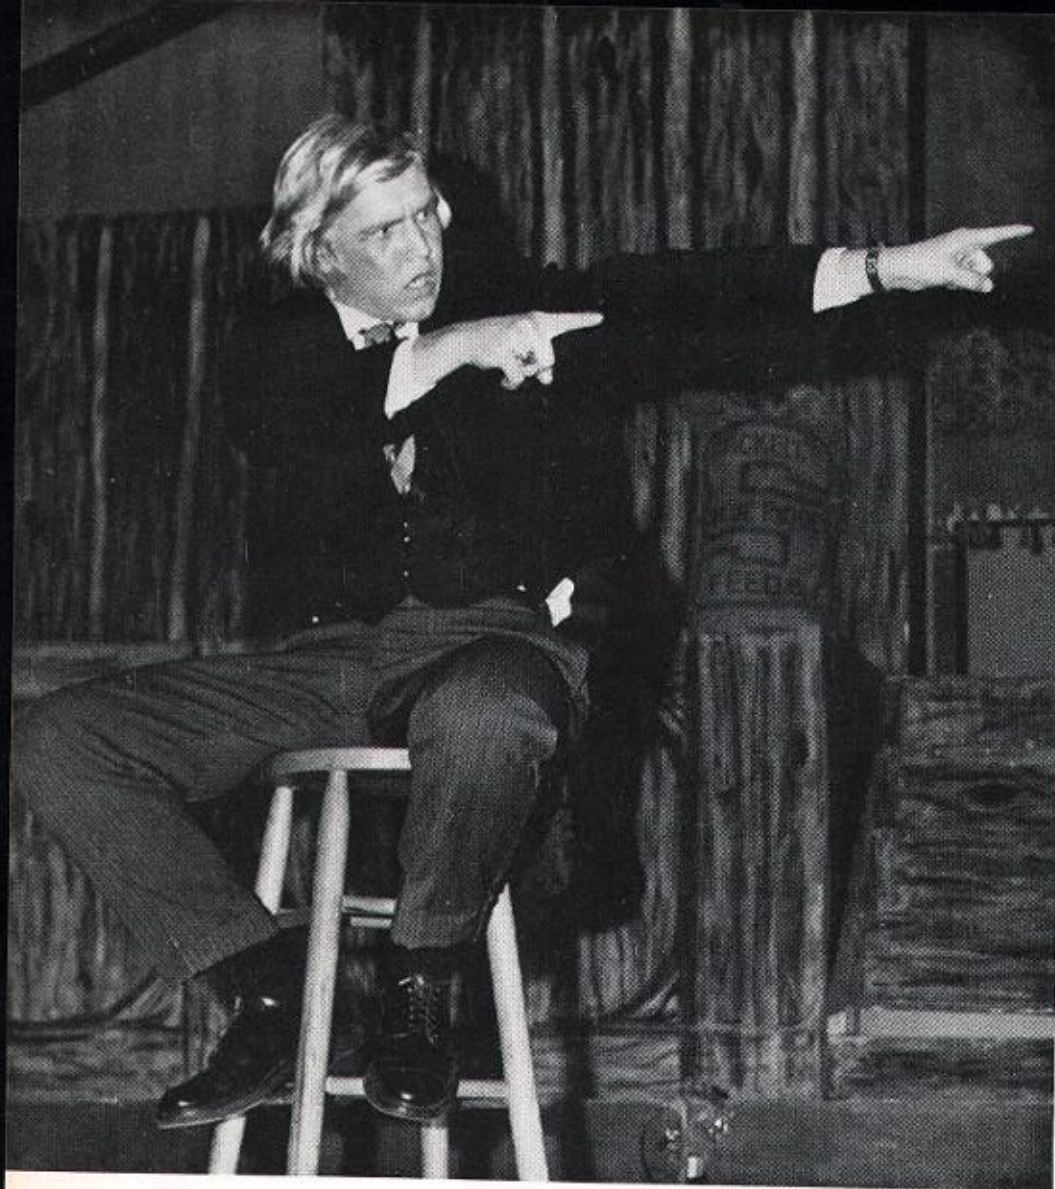

The Homecoming events, this year, proved to be unusual. The week began with the announcement of the names of the Homecoming Queen candidates. They were: Bobbi Fry, Susan Griffin, Pam Lambert, Jeanne Scott and Karen Stine. During the week, the Student Council sponsored two days in which the students were to greet one another with the phrase "Beat Owls!" The 100th person to say "Beat Owls!" to one of the designated people received a prize. The week ended with a blue and gold color day, and a pep rally.

The Indians vs. Owls game, scheduled for Saturday, October 9th, was postponed until Monday, the 11th, because of rain. Miss Susan Griffin was crowned Homecoming Queen at the dance held on Saturday evening. The following Monday the student body was dismissed early to attend the football game.

WASHS Stages Broadway's "Hello Dolly"

Under the direction of Mr. Thomas Rocks, a cast of WASHS students presented Broadway's "Hello Dolly" for last year's All-School Production. Debbie Emory captivated the audience with her performance as the unforgettable Dolly Gallagher Levi. Other leading actors and actresses were: Mike Buterbaugh as Horace Vandergelder, Brian Black and Mike Rock as Vandergelder's employees Cornelius Hackl and Barnaby Tucker, Sherry Foster as Irene Malloy, Margie Beard as Minnie Fay, Anne McCleaf as Ernestina, Carolyn McGarity as Ermengarde and Doug Mowen as her suitor, Ambrose Kemper.

Mrs. Kathy Rocks was responsible for the lively choreography. Mr. Gerald Kowallis and Mr. Asher Edelman directed as a very talented group of students provided the musical entertainment. Due credit must also be given to the faculty members and students who comprised the many committees to make the show a colorful success.

 Don't ever forget our immortal Trig class!
 That proved a most interesting class! Keep
 on dribbling that basketball and you'll
 score 50 points! and always remember,
 a rolling stone can give you a heck of a bruise!

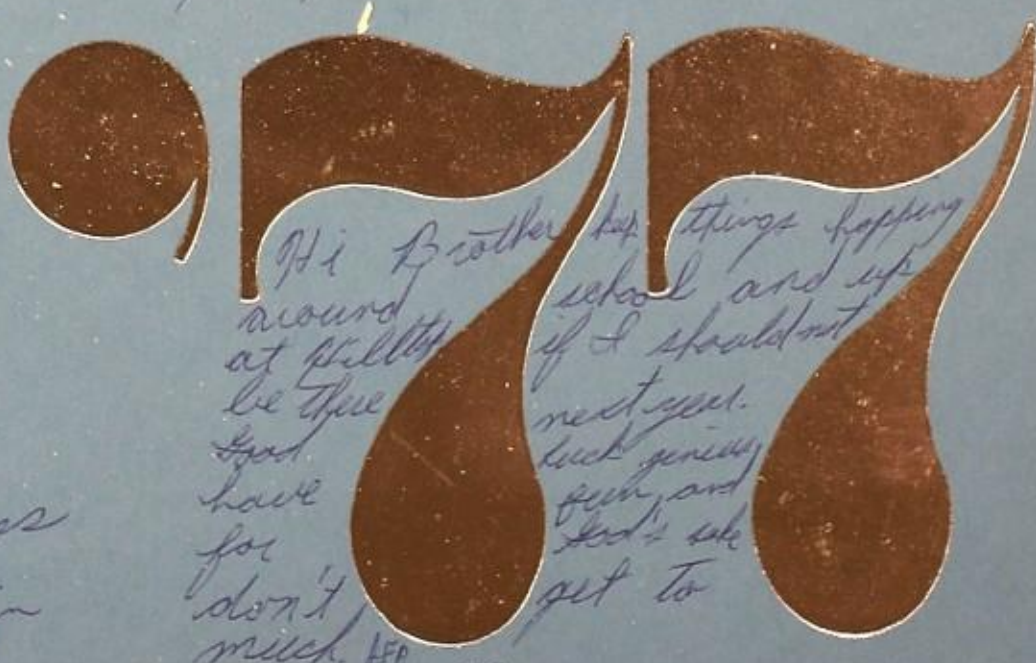

Ken
 Don't forget our crazy conversations
 in homeroom. But if you can, forget the
 rest of the time we spent in there.
 Our chemistry class was just as
 crazy, well almost. I don't think
 our group got one experiment right
 all year. Have a nice summer.
